Hi Keri,

First I want to apologize for my lack of participation lately. My husband and I are in the process of relocating to Arkansas. With buying down there and getting our place sold up here, I've been running around like a crazy women.

Because of our move, I am resigning from the Extension Board. It has been my pleasure to serve with such a wonderful group. The dedication and support has been amazing especially with the boards continue work on the Forestry program. I am sorry for the last minute notification. This move, due to my husband work, came to fruition quickly. Please thank the group for allowing me to be a part of a great team

Also, as a side note, can you please put me in contact with the 4-H person in Itasca County? I have a small herd of Icelandic sheep that will not be making the trip south with us. I'd like to find a 4-H family that would like them for their 4-H or farm endeavors. I would not be asking for payment, simply want them to go to a home where they will be cared for. I thought our 4-H person might know of someone.

Thank you again Keri, I wish continued success to the Extension.

Karen Wortman

Hi Lynn,

Thank you so much for your email. I do apologize, I've been searching my over filled inbox for your email. I do need to resign; my husband and I are relocating to Arkansas that end of September. It is a move that was a hard decision but best for us. My husband does commercial construction and all of his projects are in the southern states. Currently, he isn't able to get home often because, let's face it, you just can't get here from there quickly. So, we've opted to move south so he will be able to come home on weekends at least.

It was such a pleasure meeting you. I am sorry I will not be able to continue

Sincerely

Karen Wortman

The County will pay 80% of the annual deductible on the single or family coverage, via a contribution into an HSA if eligible, and the Commissioner will pay 20% of the annual deductible on the single or family coverage while the Commissioner is enrolled in the Plan. C. Retired Employees Health

1. Hospital and medical coverage provided for retirees shall be the High Deductible Plan (Option 1) \$1750/\$3500 (in 2022) deductible or the High Deductible Plan (Option 2) \$3,500/\$7,000 (in 2022) Deductible both with a Health Savings Account (HSA) or its equivalent. The Internal Revenue Code requires that the minimum statutory deductible for plans used with HSAs be indexed for inflation and the deductibles will automatically increase in future years in order to remain compliant with the Internal Revenue Service (IRS) guidelines for high deductible health insurance plans. It is agreed that, for employees who retire, the Employer shall pay the full single premium and 50% of the dependency coverage cost, and the balance 50% of dependency cost shall come from the retiree until their health insurance cap is exhausted. The Employer shall pay 80% of the annual deductible via an HSA or VEBA contribution on the single or family coverage and the retiree shall pay 20% of the annual deductible on single or family coverage while the retiree is enrolled in the plan, until their health insurance cap is exhausted. The retiree may choose either of the high deductible health plans with a VEBA or HSA contribution from the County. The

retiree must designate which health plan option and deductible option (HSA or VEBA) upon retirement. The County portion of the deductible will be pro-rated by the number of months the retiree is enrolled in the plan for those who enroll mid-year. If the retiree's health insurance cap is exhausted, the retiree may continue to stay on the county-sponsored health insurance plan and will pay 100% of the premium and 100% of the deductible. When a retiree reaches age 65, the retiree will be transitioned from their current health plan to one of the Medicare Supplemental Plans offered by the County and the County shall pay the full single premium and 50% of the dependency coverage cost, and the balance 50% of dependency cost shall come from the retiree until their health insurance cap is exhausted. An employee must have a minimum of 10 years of service with Itasca County to be eligible for County payment toward hospital medical insurance upon retirement and have reached retirement age as defined in Minnesota Statutes, Chapter 353 (PERA).

All employees, who have accumulated sick leave to their credit at time of retirement shall be credited with an amount equivalent to the current value of their unused accumulation of sick leave. Seventy (70%) of this amount shall be paid to the employee as severance pay and the remaining 30% balance shall be deposited into the employee's Post Health Care Savings Plan

2. Hospital and medical coverage will be provided by current carrier for retired employees.

3. Amber Peratalo is promoted from a position covered by ICEA in which she is NOT capped for purposes of retiree health insurance (based on ICEA MOU dated 5-11-2012).

LIFE INSURANCE

A. ACTIVE EMPLOYEES - The County will provide and pay the entire premium for the present group life insurance in the amount of \$25,000 for each eligible employee, said insurance includes Accidental Death and Dismemberment (AD&D) coverage in an amount equal to Basic Life insurance coverage, both with a double indemnity clause. Active employees may opt to purchase additional Basic Life and AD&D coverage for themselves, their spouse and eligible dependents, at their own expense. Both Basic Life and AD&D insurance coverage amounts reduce to 65% at age 65, 50% at age 70 and 35% for age 75 and over. All employer provided insurance and employee elected additional insurance will terminate upon the employee leaving employment.

Retirees will be provided \$1,500 paid-up life insurance coverage with no premium charge to the Employer or Employee.

DENTAL INSURANCE - Upon successful completion of the employee's initial probationary period, and provided all necessary application forms have been completed, the Employer will provide dental insurance under Delta Dental Plan of Minnesota or its equivalent. The employee shall pay 20% of the dependent's cost of said insurance. The maximum annual benefit is \$1500.00 per person. In the event that the Purchasing Agent for insurance decides to change insurance carriers, equivalent coverage to the present dental insurance shall be provided.

EMPLOYER OBLIGATION LIMITED - The parties agree that any description of insurance benefits contained herein are intended to be informational only and the eligibility of any employee for benefits shall be governed by the terms of the insurance policy. It is further understood that the Employer's only obligation is to pay such amounts as agreed to herein and no claim shall be made against the Employer as a result of a denial of insurance benefits by an insurance carrier

POST HEALTH CARE SAVINGS PLAN - All employees shall be enrolled in the Post Health Care Savings Plan (HCSP), after 1 year of employment on their anniversary date of hire, or the very next pay period. Said employee shall contribute 2% of their regular wages* earned during the biweekly pay period into the HCSP via payroll deduction each pay period.

The remaining 30% shall be deposited into the employee's Post Health Care Savings Plan. (That is, 70% of the employee's accumulated unused sick leave shall have a maximum value of \$10,000 at retirement for use for any purpose permitted by the contract.). This limit does not apply to other County payments for retirement group insurance premiums, nor does it affect the other 30% dollar value of an employee's accumulated unused sick leave which is deposited into the employee's Post Health Care Savings Plan after all regular pay has been paid out.

An employee will not receive severance pay if he/she has less than five years of continuous service with Itasca County, and if the employee is terminated by the Employer for cause.

Such Severance Pay shall be excluded from PERA deductions and from any calculations in

PERA retirement benefits, and shall be paid, at the employee's option, in one lump sum, or in a manner mutually agreeable to the employee and Employer over a period not to exceed 5 years from termination of employment.

Any payment made upon termination due to death or disability retirement will be paid in accordance with federal and state regulations. In the event of an active employee's death, 100% of his/her sick leave shall be paid out to the surviving beneficiary or to the estate of the employee who passed away

For Appointed Officials newly hired to Itasca County after 01/01/2000, the maximum County payment for severance shall not exceed \$10,000 and the maximum County payment for retirement group insurance premiums shall not exceed \$10,000.

Amber Peratalo is promoted from a position covered by ICEA in which she IS capped for purposes of severance (\$10,000) and NOT capped for purposes of retiree health insurance. Therefore, she will remain capped for purposes of severance (\$10,000) and is NOT capped for purposes of retiree health insurance.

Under the FLSA, exempt employees receive full salary for any work week in which they perform work, without regard to the number of days or hours worked. However, accountability to the public is a core value of Itasca County and the County Board requests that appointed employees account for hours worked and hours not worked utilizing their sick, vacation, and other earned eligible leave benefits and follow the Employee Timekeeping Policy.

This is not an employment contract and may be amended at any time by the County Board of Commissioners.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

The Itasca County Health and Human Services (ICHHS) Board created a managed care program, Itasca Medical Care dba: IMCare (IMCare) on July 1, 1982, under Minnesota Statute 256B.692 which empowers the elected board of county commissioners to operate, control, and manage all matters concerning the county's health care functions. For this reason, IMCare is an enterprise fund and is included in Itasca County's financial statements as a business-type activity.

Under contracts with the Minnesota Department of Human Services (DHS) and the Center for Medicare and Medicaid Services (CMS), IMCare is authorized to provide comprehensive health maintenance services to persons enrolled under public healthcare programs in Itasca County. These programs include Medical Assistance (MA), Minnesota Care, Minnesota Senior Options (MSHO), and Medicare Part D.

Basis of Presentation and Use of Estimates

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America. IMCare is required to file quarterly and annual reports with the MN Department of Commerce. These reports are required to be prepared in accordance with statutory accounting practices prescribed or permitted by the NAIC and the Department of Health of the State of Minnesota which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of premiums earned and expenses during the reporting period. Actual amounts could differ from those estimates. Prescribed statutory accounting practices include a variety of publications of the NAIC, as well as state laws, regulations and general administrative rules. Permitted statutory accounting practices encompass all accounting practices not so prescribed.

There is no difference in IMCare's capital and surplus between NAIC, SAP, and GAAP.

Health Care Service Cost Recognition

IMCare contracts with various health care providers for the provision of certain medical care services to its members. IMCare compensates the providers either on a capitation basis or fee for services basis during the year. As part of a cost control incentive program, IMCare retains a portion of the funds and a final settlement is completed within two years. The providers bear the risk to extent there are any surpluses or deficits. Operating expenses include all amounts incurred by IMCare under the aforementioned contracts. During 2017, the risk sharing agreements between IMCare and the providers were discontinued at various points during the year. IMCare has now assumed full risk and final settlements for 2017 were paid during the year ended December 31, 2020.

The cost of other health care services provided or contracted for is accrued in the period in which it is provided to a member based in part on estimates, including an accrual for medical services provided but not reported to IMCare.

Income Tax

IMCare is not subject to federal or state income taxes.

Pooled Cash and Cash Equivalents

All cash is held by Itasca County. Itasca County does not segregate the funds held and therefore all funds are shown as pooled cash and cash equivalents. Pooled cash and cash equivalents include funds in highly liquid debt instruments with an original maturity of three months or less.

Risk Management

IMCare is exposed to various risks of loss from torts; theft of, damage to, and destruction of assets; business interruption; errors and omissions and nature disasters. Commercial insurance coverage is purchased for claims arising from such matters.

Notes to Financial Statements

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONT'D

Claims Payable

Claims payable represent the estimated ultimate net cost of all reported and unreported claims incurred prior to and unpaid at the end of the year. The liability for unpaid claims is estimated primarily by the use of cost per contract data and completion factors developed from historical lag patterns. Those estimates are subject to the effects of trends in claim severity and frequency. Although considerable variability is inherent in such estimates, management believes that the liability for claims payable is adequate. The estimates are reviewed and adjusted as experience develops or new information becomes known, and such adjustments are included in current operations. Activity in the liability for unpaid claims for IMCare is summarized as follows:

	2022	2021
Balance, Beginning of Year	\$ 6,264,627	\$ 4,762,313
Amount Incurred, Related to:		
Prior Years	(698,994)	(368,124)
Current Year	37,408,382	68,315,373
Total	36,709,388	67,947,249
Amount Paid, Related to:		
Prior Years	5,465,781	4,276,527
Current Year	30,499,424	62,168,408
Total	35,965,205	66,444,935
Balance, End of Period	\$ 6,137,463	\$ 6,264,627

Aggregate Health Policy Reserves

During 2020, the State of Minnesota Department of Human Services (DHS) amended the Medical Assistance (MA) and Minnesota Care (MNCare) contract with IMCare to include a risk corridor program for 2020 and 2021. The contract provisions limit financial risk to a corridor with a minimum and maximum medical loss ratio (MLR) of plus or minus 1.5% of the MLR used by the state for pricing purposes. In the event IMCare’s combined MA and MNCare MLR falls below the minimum MLR, IMCare will remit to the state the lesser of the amount owed or the amount that would bring the risk-based capital level to 238% for 2020 or 300% for 2021.

In the event IMCare’s combined MA and MNCare MLR exceeds the maximum MLR, the State will remit the excess loss amount to IMCare. In conjunction with this agreement, IMCare recorded a reduction of capitation revenue and a payable of \$2,140,017 to DHS related to the contract provisions associated with the risk corridor on the 2020 year-end financial statement. This payment was made on June 30, 2021. There was no risk corridor liability recorded for 2021, as the year-end RBC level was below 300%.

Additionally, Aggregate Health Policy Reserves includes a Medicare Part D risk corridor payable of \$1,819 as of both June 30, 2022 and December 31, 2021.

Provider Settlements

IMCare contracts with certain providers in Itasca County to provide health care services to its enrolled members. Under these arrangements, the providers receive an interim claim payment based upon fee for services schedules. These providers are at risk to the degree specified in their contracts and the net effect of all other revenues and expenses. The final settlement occurs when all claims are considered settled.

Capitation Revenue

Capitation revenue consists of funds received from the State of Minnesota or the Centers for Medicare and Medicaid Services for members enrolled in Medicaid, Minnesota Care, MSHO and Medicare Part D in IMCare’s service area. Revenues are recognized in the period in which the members are entitled to health care services and covered by IMCare. Funds are received at approximately the same time every month for the members who are enrolled with IMCare in the above programs.

Receivables and Allowance for Uncollectible Accounts

Receivables consists of a capitation withhold and other miscellaneous receivables. The capitation withhold relates to fiscal year 2021 but will not be released to IMCare until after the

Notes to Financial Statements

end of the state fiscal year-end on June 30. Part of the amount will be released automatically and part will be released each year if certain criteria are met. IMCare has provided an allowance for uncollectible using the allowance method, which is based on management judgment considering historical information. The receivables for the capitation withhold net of an allowance for uncollectible was \$7,407,886 and \$4,646,924 at June 30, 2022 and December 31, 2021, respectively. The allowance on the capitation withhold was \$310,000 at both June 30, 2022 and December 31, 2021.

Amounts Receivable Related to Uninsured Plans

Amounts receivable related to uninsured plans relate to the Medicare Part D program that are subject to retrospective adjustment or pass through payments payable to CMS. As of December 31, 2021, the estimated settlements were receivable balances and the settlements for Low Income Cost Sharing (LICS) and Reinsurance are recorded as amounts receivable related to uninsured plans, and the risk corridor portion is recorded as aggregate health policy reserves. Amounts owed or receivable under the Part D program are expected to be settled with CMS in the fourth quarter of 2022.

Reclassifications

Certain items in the prior year financial statements have been reclassified to conform with current year presentation. These reclassifications had no effect on IMCare's overall net position.

NOTE 2 POOLED CASH AND CASH EQUIVALENTS

Deposits

Minnesota Statutes require that insurance, surety bonds, or collateral protect all IMCare deposits. The market value of collateral pledged must equal 110% of the deposits not covered by insurance or bonds. Minnesota Statutes also require that securities pledged as collateral be held in safekeeping by IMCare or in a financial institution other than that furnishing the collateral.

Itasca County holds all cash for IMCare. Minnesota Statutes authorize the Governmental Unit to invest in obligations of the U.S. Government and its agencies and of the state of Minnesota and its agencies, banker's acceptances, commercial paper, and certain other types of securities. Itasca County does not segregate the funds held and, therefore, all funds are shown as pooled cash and cash equivalents.

IMCare's deposits at year-end were entirely covered by federal depository insurance or were covered by collateral set aside by the banks. The bank carrying value of deposits and IMCare's carrying value was \$5,621,722 and \$12,371,954 on June 30, 2022 and December 31, 2021, respectively.

NOTE 3 CONTRACTUAL AGREEMENTS

Medical Services - IMCare has contractual agreements with independent providers to offer certain health care services to enrollees and their eligible dependents. Contracts with participating providers allow for capitation payments and fee-for-service payments as reimbursement for health care services.

Administrative Services – IMCare has administrative services agreements with third-party administrators, which cover management services that are system dependent (i.e. enrollment information and claims processing). The management services fees paid to the administrators by IMCare are calculated based on a determined dollar amount per member per month. Total fees paid in 2022 and 2021 were approximately \$742,000 and \$1,374,000, respectively.

NOTE 4 RELATED PARTY TRANSACTIONS

IMCare contracts with Itasca County for all employees under an administrative services contract with Itasca County Health and Human Services. Itasca County pays for general and administrative services necessary for IMCare's operations. These expenses include: salary, fringe benefits, postage, telephone, data processing, office supplies, and rent for use of office

Notes to Financial Statements

space and equipment owned by Itasca County. IMCare’s share of expenses was \$1,347,362 and \$2,548,260 in 2022 and 2021, respectively, for the expenses listed above. IMCare reimburses Itasca County for their share of these expenses on a quarterly basis. As of June 30, 2022 and December 31, 2021, there was a payable of \$683,304 and \$673,294, respectively.

Itasca County provides cash and investment services for IMCare. In the event IMCare incurs operating deficits, Itasca County would maintain IMCare’s reserves that would enable IMCare to meet statutory or regulatory reserve requirements.

IMCare has a noncancelable four-year operating lease with Itasca County for office space. The lease was renewed for an additional three years beginning April 1, 2021. At June 30, 2022, future lease payments by year, under this operating lease are as follows:

<u>Year Ending December 31</u>	<u>Amount</u>
2022	35,250
2023	70,500
2024	17,625

Total rent expense was \$70,500 for the year ended December 31, 2021.

NOTE 5 STOP-LOSS INSURANCE

IMCare renewed its contract with an outside insurance company for stop-loss inpatient insurance claims in excess of \$425,000 per individual during the year ended December 31, 2021. The current contract applies until June 30, 2022.

NOTE 6 STATUTORY FINANCIAL REQUIREMENTS

IMCare had year-to-date net income (loss) of \$3,328,147 as of the quarter ended June 30, 2022, and net income of \$2,326,230 for the year ended December 31, 2021. The capital surplus at June 30, 2022 and December 31, 2021 was \$12,553,151 and \$9,225,002, respectively. Minnesota Statute Section 256B.692 specifies that County-Based Purchasing (CBP) organizations are subject to the financial solvency requirements under the provisions of chapter 62D, as applicable to health maintenance organizations. IMCare is required to maintain statutory capital and surplus equal to or greater than the company action level of \$6,491,510 for 2021, as calculated under the NAIC’s Health Risk Based Capital methodology. IMCare was in compliance with this requirement as of December 31, 2021.

IMCare is also required to maintain positive working capital, under the statutory accounting practices prescribed or permitted by the Department of Health of the State of Minnesota. IMCare was in compliance with this requirement as of December 31, 2021.

NOTE 7 COMMITMENTS AND CONTINGENCIES

Contingencies

In the normal course of business, there could be various outstanding contingent liabilities such as, but not limited to, the following:

- Lawsuits alleging negligence in care
- Environmental pollution
- Violation of regulatory body's rules and regulations
- Violation of federal and/or state laws

No contingent liabilities such as, but not limited to those described above, are reflected in the accompanying financial statements. No such liabilities have been asserted and, therefore, no estimate of loss, if any, is determinable.

1. The Agency agrees to provide for a fair hearing and grievance procedure in conformance with Minnesota Statutes, Section 256.045, and in conjunction with the fair Hearing and Grievance Procedures established by administrative rules of the State Department of Human Services.

F. Conditions of the Parties' Obligations:

1. It is understood and agreed that in the event the reimbursement to the Agency from State and Federal sources is not obtained and/or continued at a level sufficient to allow for the purchase of the indicated quantity of purchased services, the obligations of each party hereunder shall thereupon be terminated.
2. This Agreement may be canceled by either party at any time, with or without cause, upon thirty (30) days notice, in writing, delivered by mail or in person.
3. Before the termination date specified in Section 1 of this Agreement the Agency may evaluate the performance of the Contractor in regard to terms of this Agreement to determine whether such performance merits renewal of this Agreement.

4. Any alterations, variations, modifications, or waivers of provisions of this Agreement shall be valid only when they have been reduced to writing, duly signed, and attached to the original of this Agreement.
5. No claim for services furnished by the Contractor, not specifically provided in the Agreement, will be allowed by the Agency, nor shall the Contractor do any work or furnish any material not covered by this Agreement, unless this is approved in writing by the Agency. Such approval shall be considered to be a modification of the Agreement.

1. The Contractor agrees not to enter into subcontracts for any of the work contemplated under this Agreement without written approval of the Agency.
2. All subcontractors must be subject to and must meet all of the requirements of this Agreement.
3. The Contractors must ensure that any and all subcontracts to provide services under this Agreement must contain the following language:

The subcontractor acknowledges and agrees that the Minnesota Department of Human Services is a third-party beneficiary, and as a third-party beneficiary, is an affected party under this Agreement. The subcontractor specifically acknowledges and agrees that the Minnesota Department of Human Services has standing to and may take any appropriate administrative action or may sue the provider for any appropriate relief in law or equity, including but not limited to rescission, damages, or specific performance, of all or any part of the Agreement. Minnesota Department of Human Services is entitled to and may recover from the provider reasonable attorney's fees, costs, and disbursements associated with any action taken under this paragraph that is successfully maintained. This provision must not be construed to limit the rights of any party to the Agreement or any other third-party beneficiary, nor must it be construed as a waiver of immunity under the Eleventh Amendment to the United States Constitution or any other waiver or immunity.

4. The Contractor agrees to be responsible for the performance of any subcontractor to ensure compliance to the subcontract and Minnesota Rules, part 9525.1870, subpart 3.

Vendors may be suspended or debarred when it is determined, through a duly authorized hearing process, that they have abused the public trust in a serious manner.

By Signing This Agreement, The Contractor Certifies That It And Its Principals* And Employees:

- a. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from transacting business by or with any federal, state or local governmental department or agency; and
- b. Have not within a three-year period preceding this contract: 1) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain or performing a public (federal, state or local) transaction or contract; 2) violated any federal or state antitrust statutes; or 3) committed embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements or receiving stolen property; and

J. Miscellaneous:

1. Entire Agreement: It is understood and agreed that the entire Agreement of the parties is contained herein and that this Agreement supersedes all oral agreements and negotiations between the parties relating to the subject matter hereof, as well as any previous agreements presently in effect between the Contractor and any county social services agency relating to the subject matter hereof.
2. The Contractor acknowledges and agrees that the Minnesota Department of Human Services is a third-party beneficiary and, as a third-party beneficiary, is an affected party under this Agreement. The Contractor specifically acknowledges and agrees that the Minnesota Department of Human Services has standing to and may take any appropriate administrative action or sue the Contractor for any appropriate relief in law or equity, including, but not limited to, rescission, damages, or specific performance, of all or any part of the Agreement between the County Board and the Contractor. The

Contractor specifically acknowledges that the County Board and the Minnesota Department of Human Services are entitled to and may recover from the Contractor reasonable attorney's fees and costs and disbursements associated with any action taken under this paragraph that is successfully maintained. This provision shall not be construed to limit the rights of any party to the Agreement or any other third-party beneficiary, nor shall it be construed as a waiver of immunity under the Eleventh Amendment to the United States Constitution or any other waiver of immunity.

3. The Contractor agrees to acknowledge the Agency in the credits of advertisements and publicity.
4. (When applicable) The placement agreements between vendors and counties, other than Itasca, to provide services to out-of county clients under this Agreement must contain a provision stating that the county signing the placement agreement will either (1) pay the costs of other social services rendered by Itasca County or other providers that are under contract with Itasca County; and (2) will be responsible for billing Medical Assistance, Medicare, private insurance, or third-party payer.

At the time the social service is rendered, the vendor will instruct the provider to bill the county of financial responsibility directly. Any county placing a child in Itasca County will be financially responsible for any and all placement costs for that child, including but not limited to placements in secure and/or shelter facilities whether by police hold or any other means.

Itasca County will not be financially responsible for any placement costs for out of county children unless prior authorization is obtained from Itasca County Health and Human Services.

5. (When applicable) The Contractor agrees to bill all pay sources including third party insurances and obtain a denial prior to submitting a claim to Itasca County Health and Human Services. In the event the service is not covered by the third party payer, a denial must be submitted with the claim to Itasca County Health and Human Services. Payment will not be made without such denial. A denial reason for anything other than "non-covered service" does not constitute county coverage; for example: not billing within the allowed time frame for a particular carrier, wrong procedure code, diagnosis code, etc.
6. Itasca County will not pay for two placements that occur on the same date of service.

This provision shall not be construed to limit the rights of any party to the Agreement or any other third-party beneficiary, nor shall it be construed as a waiver of immunity under the Eleventh Amendment to the United States Constitution or any other waiver of immunity.

3. The Contractor agrees to acknowledge the Agency in the credits of advertisements and publicity.
4. (When applicable) The placement agreements between vendors and counties, other than Itasca, to provide services to out-of county clients under this Agreement must contain a provision stating that the county signing the placement agreement will either (1) pay the costs of other social services rendered by Itasca County or other providers that are under contract with Itasca County; and (2) will be responsible for billing Medical Assistance, Medicare, private insurance, or third-party payer.

At the time the social service is rendered, the vendor will instruct the provider to bill the county of financial responsibility directly. Any county placing a child in Itasca County will be financially responsible for any and all placement costs for that child, including but not limited to placements in secure and/or shelter facilities whether by police hold or any other means.

Itasca County will not be financially responsible for any placement costs for out of county children unless prior authorization is obtained from Itasca County Health and Human Services.

5. (When applicable) The Contractor agrees to bill all pay sources including third party insurances and obtain a denial prior to submitting a claim to Itasca County Health and Human Services. In the event the service is not covered by the third party payer, a denial must be submitted with the claim to Itasca County Health and Human Services. Payment will not be made without such denial. A denial reason for anything other than "non-covered service" does not constitute county coverage; for example: not billing within the allowed time frame for a particular carrier, wrong procedure code, diagnosis code, etc.
6. Itasca County will not pay for two placements that occur on the same date of service.

II. Contract Specific

A. Contractor's Duties

1. The Agency agrees to purchase and the Contractor agrees to furnish the following:

 - e. If the collection of social services fees is delegated to the Contractor, the Contractor must provide the Agency with information about fees collected and the fee sources.
2. Books, records, documents and accounting procedures and practices of the Contractor relative to the Agreement are subject to examination by the Agency.
- F. Bonding, Indemnity, Insurance, and Audit Clause:
1. Bonding: The Contractor shall obtain and maintain at all times, during the term of this Agreement, a fidelity bond covering the activity of its personnel authorized to receive or distribute monies.
 2. Indemnity: The Contractor agrees that it will at all times indemnify and hold harmless the Agency from any and all liability, loss, damages, costs or expenses which may be claimed against the Agency or Contractor;

By reason of any service client's suffering personal injury, death, or property loss or damages either while participating in or receiving from the Contractor the care and services to be furnished by the Contractor under this Agreement, or while on premises owned, leased or operated by the Contractor, or while being transported to or from said premises in any vehicle owned, operated, chartered or otherwise contracted for by the Contractor or his assigns; or

Original Amount Encumbered
\$9,534.54

This Agreement is between the State of Minnesota, acting through its Commissioner of Transportation ("State") and Itasca County acting through its Board of Commissioners "County".

Recitals

1. The State is about to perform approach grading and replace Bridge No. 9262 with new Bridge No. 69138 over the W. Swan River & 1 mile north of County State Aid Highway (C.S.A.H.) No. 18 and replace Bridge No. 89395 with new Bridge No. 69X21 construction upon, along, and adjacent to Trunk Highway No. 73 from under State Project No. 6929-21 (T.H. 73=163); and
2. The State requires a detour to carry T.H. 73 traffic on County State Aid Highway (C.S.A.H.) No. 16 and on County State Aid Highway No. 20 during the construction; and
3. The County is willing to maintain the T.H. 73 detour; and
4. The State is willing to reimburse the County for the road life consumed by the detour and detour maintenance as hereinafter set forth; and
5. Minnesota Statutes § 471.59, subdivision 10, § 161.25, and § 161.20, subdivision 2(b), authorize the parties to enter into this Agreement.

Agreement

1. Agreement Between the Parties

1.1. Detour.

- A. Location(s).** The State will establish the T.H. 73 detour route on the following County road(s) as detailed in the project plans or Special Provisions:
BRIDGE 69X21 DETOUR - C.S.A.H. 20 and C.S.A.H. 16 for a total distance of 12.26 miles.
BRIDGE 69138 DETOUR - C.S.A.H. 20 for a total distance of 3.44 miles.
- B. Modification of the Detour Route.** The State may modify the detour route or may add additional roadways to the official detour during construction. The State will request concurrence from the County for changes to the detour route. If such change increases the State's total payment amount over the maximum obligation in Article 3.3.B, the Agreement will be amended.
- C. Axle Loads and Over-Dimension Loads.** The County will permit 10-ton axle loads on the detour route.

- D. *Traffic Control Devices.*** The State may install, maintain, and remove any traffic control devices it considers necessary to properly control the detoured traffic. The State may paint roadway markings, such as the centerline, edge lines, and necessary messages.
- E. *Duration.*** The State will provide the County with advance notice identifying the dates the State intends to place and remove the detour signing.

1.2. *Maintenance.*

- A.** The County will maintain the portion of the detour that is on County roads, and furnish all necessary labor and materials, to the satisfaction of the State's District Maintenance Engineer in Duluth.
- B. *County's Failure to Adequately Maintain.*** If the County fails to adequately maintain the detour as provided in Section 2.2.A. of this Agreement, of which failure the State will be the sole judge, the State may perform such work or cause it to be performed, as the State's District Maintenance Engineer considers necessary, to properly and adequately maintain the T.H. _ detour. The State may retain the cost of such maintenance from any moneys then due, or thereafter becoming due, to the County under this Agreement. This paragraph will not be construed to relinquish any rights of action that may accrue on behalf of the State against the County for any breach of agreement.

1.3. *Basis of State Cost.*

- A. *Road Life Consumed.*** The State will reimburse the County for the road life consumed by the detour using the following methods, as set forth in the Detour Management Study Final Report dated January 1991, and updated by MnDOT's Policy on Cost Participation for Cooperative Construction Projects and Maintenance Responsibilities between MnDOT and Local Units of Government.
- i. The "Gas Tax Method" formula, multiplies the Combined Tax Factor per mile times the Average Daily Traffic ("ADT") count of vehicles diverted from the Trunk Highway times the county road length in miles times the duration of the detour in days to determine the State's cost for the road life consumed by the detour. If an ADT changes, the parties will amend the Agreement.
 - ii. The County may, at its option, perform an "Equivalent Overlay Method" analysis. A State-approved firm, at no cost or expense to the State, must perform the testing and analysis. The County will keep records and accounts to verify any claim it might bring against the State for additional costs using the "Equivalent Overlay Method".
- B. *Maintenance Costs.*** The State's detour maintenance cost will be equal to the amount computed by using the "Gas Tax Method" formula under Section 2.3.A.

2. *Payment*

The State's payment consists of the sum of the road life consumed and maintenance amounts.

- 2.1. *For Road Life Consumed.*** The State's total payment for the road life consumed by the detour is equal to the amount computed by using the "Gas Tax Method" formula plus any amount determined by using the "Equivalent Overlay Method" analysis that is in excess of twice the "Gas Tax Method" amount.

The State's estimated cost for the road life consumed by the detour is based on the data below:

<u>Stage</u>	<u>Tax Factor</u>	<u>ADT</u>	<u>Road Length (Miles)</u>	<u>Duration (Days)</u>	<u>Cost</u>
BRIDGE 69X21 DETOUR	0.00513	1,070	12.26	33	\$2,220.78

<u>Stage</u>	<u>Tax Factor</u>	<u>ADT</u>	<u>Road Length (Miles)</u>	<u>Duration (Days)</u>	<u>Cost</u>
BRIDGE 69138 DETOUR	0.00513	1,300	3.44	111	\$2,546.49

Road Life Consumed Amount: \$4,767.27

2.2. For Maintenance. \$4,767.27 is the State's estimated cost for detour maintenance based on the "Gas Tax Method" amount.

The State may retain the cost of State performed detour maintenance, as provided for in Section 2.2 of this Agreement, from any moneys then due, or thereafter becoming due, to the County under this Agreement.

2.3. Total Payment and Maximum Obligation.

- A. \$9,534.54 is the State's estimated payment for road life consumed (\$4,767.27) and maintenance (\$4,767.27).
- B. \$20,000.00 is the maximum obligation of the State under this Agreement and must not be exceeded unless the maximum obligation is increased by execution of an amendment to this Agreement.

2.4. Conditions of Payment. The State will pay the County the State's total road life consumed and maintenance payment amount after performing the following conditions.

- A. Execution of this Agreement and the County's receipt of the executed Agreement.
- B. State's encumbrance of the State's total payment amount.
- C. State's removal of all detour signs.
- D. State notifies the County of the removal of the detour signs, and the number of days the detour was in effect.
- E. State's receipt of a written request from the County for payment.

3. Release of Road Restoration Obligations

By accepting the State's road life consumed and maintenance payment plan and total payment amount, the County releases the State of its obligation, under Minnesota Statutes § 161.25, to restore the County roads used as a T.H. 73 detour to as good condition as they were before designation as temporary trunk highways.

4. Authorized Representatives

Each party's Authorized Representative is responsible for administering this Agreement and is authorized to give and receive any notice or demand required or permitted by this Agreement.

4.1. The State's Authorized Representative will be:

Name, Title: Morris Luke, Assistant District Traffic Engineer (or successor)
Address: 1123 Mesaba Ave., Duluth, MN 55811
Telephone: (218) 725-2778
E-Mail: morris.luke@state.mn.us

5. Assignment; Amendments, Waiver; Contract Complete

- 5.1. *Assignment.*** No party may assign or transfer any rights or obligations under this Agreement without the prior consent of the other party and a written assignment agreement, executed and approved by the same parties who executed and approved this Agreement, or their successors in office.
- 5.2. *Amendments.*** Any amendment to this Agreement must be in writing and will not be effective until it has been executed and approved by the same parties who executed and approved the original Agreement, or their successors in office.
- 5.3. *Waiver.*** If a party fails to enforce any provision of this Agreement, that failure does not waive the provision or the party's right to subsequently enforce it.
- 5.4. *Contract Complete.*** This Agreement contains all prior negotiations and agreements between the State and the County. No other understanding regarding this Agreement, whether written or oral, may be used to bind either party.

6. Liability

The County and State will be responsible for their own acts and omissions, to the extent authorized by law. Minnesota Statutes § 3.736 governs the State's liability. Minnesota Statutes, Chapter 466 governs the liability of the County.

7. State Audits

Under Minnesota Statutes § 16C.05, subdivision 5, the County's books, records, documents, and accounting procedures and practices relevant to this Agreement are subject to examination by the State and the State Auditor or Legislative Auditor, as appropriate, for a minimum of six years from the end of this Agreement.

8. Government Data Practices

The County and State must comply with the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13, as it applies to all data provided by the State under this Agreement, and as it applies to all data created, collected, received, stored, used, maintained, or disseminated by the County under this Agreement. The civil remedies of Minnesota Statutes §13.08 apply to the release of the data referred to in this clause by either the County or the State.

9. Governing Law; Jurisdiction; Venue

Minnesota law governs the validity, interpretation, and enforcement of this Agreement. Venue for all legal proceedings arising out of this Agreement, or its breach, must be in the appropriate state or federal court with competent jurisdiction in Ramsey County, Minnesota.

10. Termination; Suspension

- 10.1. *By Mutual Agreement.*** This Agreement may be terminated by mutual agreement of the parties or by the State for insufficient funding as described below.
- 10.2. *Termination for Insufficient Funding.*** The State may immediately terminate this Agreement if it does not obtain funding from the Minnesota Legislature, or other funding source; or if funding cannot be continued

at a level sufficient to allow for the payment of the services covered here. Termination must be by written or fax notice to the County. The State is not obligated to pay for any services that are provided after notice and effective date of termination. However, the County will be entitled to payment, determined on a pro rata basis, for services satisfactorily performed to the extent that funds are available. The State will not be assessed any penalty if this Agreement is terminated because of the decision of the Minnesota Legislature, or other funding source, not to appropriate funds.

10.3. *Suspension.* In the event of a total or partial government shutdown, the State may suspend this Agreement and all work, activities, performance, and payments authorized through this Agreement. Any work performed during a period of suspension will be considered unauthorized work and will be undertaken at the risk of non-payment.

11. Force Majeure

No party will be responsible to the other for a failure to perform under this Agreement (or a delay in performance), if such failure or delay is due to a force majeure event. A force majeure event is an event beyond a party's reasonable control, including but not limited to, unusually severe weather, fire, floods, other acts of God, labor disputes, acts of war or terrorism, or public health emergencies.

I.

The 30 foot wide easement for utility purposes lies over, under and across part of that part of Government Lot One (1), Section Twenty-four (24), Township Fifty-five (55) North, Range Twenty-two (22) West, Itasca County, Minnesota, more particularly described in Exhibit A, and as shown on the attached survey.

DISCLAIMER: Itasca County is relying on ownership information and easement legal descriptions provided by the Grantee. The easement rights conveyed by this document are limited to parcels owned by the State of Minnesota in trust for the taxing districts. Itasca County makes no warranties as to the ownership of the parcels crossed by this easement and assumes no liability for any errors or costs for corrections in that regard.

II.

The Grantee shall comply with the Policy of Itasca County as the same is in effect as of the date of this easement and as hereinafter amended concerning the mapping and documentation of description of easements upon tax-forfeited lands and shall provide a written legal description and maps of the location of the "as built" easement centerline as set forth in the Policy.

III.

The Grantee, before entering upon the premises for construction purposes, shall pay to the Grantor the sum equal to the current market value of the easement. This amount is consideration for the granting of this easement. This fee is to be determined in accordance with the fee policy that is established by the Itasca County Board of Commissioners.

The Grantee may clear and keep cleared said strip of trees and brush and as progress is made therein the Grantor shall be advised and shall cause the timber to be scaled and the Grantee shall pay the Grantor for such existing timber, and tree reproduction, a price to be determined by the Itasca County Land Commissioner. The Grantee shall also compensate the Grantor for the value of dangerous trees which may from time to time be removed beyond the limits of this easement.

IV.

The Grantee shall comply with all laws, regulations and municipal ordinances affecting said lands, Grantee's activities upon said lands or the area in which they are situated. The Grantee shall keep said strip in a neat and orderly condition and shall remove all refuse and debris that may accumulate as a result of Grantee's or the Grantee's Contractor's use thereof. Nothing herein shall require the Grantee to remove refuse and debris unlawfully deposited by a third party. The Grantee shall take all reasonable precautions to prevent and suppress forest fires. The Grantee shall compensate the Grantor for any damages resulting from the improper use of said strip by the Grantee or damages to adjoining lands in gaining access thereto or egress therefrom.

V.

The Grantee shall pay when due all taxes and assessments levied against the easement granted herein or the improvements thereon.

VI.

Nothing herein shall alter, limit, modify or restrict the authority of the County to sell or lease tax forfeited lands by law conferred. Any such sale or lease shall be subject to this easement and all rights granted by this easement shall be excepted from the conveyance or lease of the land and be reserved, and which may be canceled by the County Board in the same manner and for the same reason as it could have been canceled before sale or lease and in that case the rights granted thereby shall vest in the state in trust as the land on which it was granted was held before sale or lease.

The Grantor shall consult with the Grantee herein prior to the granting of any easements or permits over the property which is the subject of this easement if such easement or permit would substantially conflict with the rights of the Grantee herein.

VII.

Pursuant to Minnesota Statute Section 282.04, Subd. 4, this easement may be canceled for any substantial breach of the terms hereof or if at any time the Itasca County Board of Commissioners determines the continuance of this easement conflicts with the public use of these lands or any part thereof by resolution of said Board after ninety (90) days written notice of its intent to terminate this easement, addressed to Grantee at its address as set forth herein or as subsequently modified by written notice from the Grantee to the Grantor.

VIII.

Grantee may, subject to such other provisions as herein contained, at its own option and at its own peril, allow to remain upon the premises, subsequent to the Grantee's discontinuation of the use of its improvements upon the easement, any below ground equipment, structures, pipes, wires, cables and below ground appurtenances provided that said equipment, structures, pipes, wires, cables and appurtenances are in conformance with all federal, state or other governmental codes, if any, or if no such codes exist are at least three (3') feet below ground. Upon discontinuation of the use of this easement by the Grantee and removal of above ground equipment, structures, poles, wires, pipes and other appurtenances erected above ground, the Grantor shall be entitled to the full use and enjoyment of the surface rights of said easement and the Grantor shall waive any future fees for the granting of this easement.

IX.

Upon termination of this easement, the Grantee shall remove all its equipment, structures, poles, wires, pipes and other appurtenances located upon or above the lands described herein within one (1) year or as otherwise extended by the Itasca County Board of Commissioners; if such property is not removed within the aforesaid period of time, time being of the essence, title to all personal property remaining upon the premises shall vest in the Grantor, the Grantor, at its sole option may remove such property, restore the right of way to an environmentally sound condition and charge the Grantee for all expenses incurred.

Grantee shall, upon the removal of its property, restore the right-of-way to an environmentally sound condition. This may include, but is not limited to, eliminating any erosion problems and re-establishing stable vegetative cover as acceptable to the Land Commissioner.

X.

No delay by the Grantor in enforcing any of the conditions of this easement shall operate as a waiver of any of its rights.

XI

That as additional consideration for the grant of this easement, the Grantee agrees to indemnify, save and hold harmless the Grantor from any loss, liability, damage or cost the Grantor may incur due to any causes of action, claims for damage or damages sustained by the Grantee or the person or property of any third party as a result of the presence of the Grantee, its use, activities including ingress and egress or placement of improvements and equipment upon the above described premises or lands adjacent thereto, including but not limited to the reasonable value of attorney's fees in the defense of any claims.

CONSIDERATION OF BID

Any lands herein offered for sale that do not adjoin or are located on a suitable legally established and maintained public highway or road, the township wherein said lands may be located, or any other municipality, shall not for a period of five years, be obligated to the establishment, construction or additional maintenance of any public roads or the expenditure of any public funds for the benefit of the owner or occupant of any lands purchased, by reason of the ownership or occupancy of any of this land; provided further that nothing herein shall be construed to create any obligation directly or indirectly on the part of any municipality of the expenditures of any money for the benefit of said parcels after the expiration of said five year period.

Any parcel of land on the list is subject to withdrawal from sale by the County Board or Land Commissioner, at their sole discretion, when it appears to be in the public interest to do so.

Itasca County Land Commissioner reserves the right to reject any and all bids and to withdraw from sale any of the property listed before a notice of award is delivered. Any person or entity, or entity controlled by such person, is a prohibited purchaser or bidder, if said person or entity is delinquent on real or personal property taxes in Itasca County.

Any persons interested in purchasing tax-forfeited property on public auction must pay all delinquent taxes prior to purchasing or bidding.

DISCLAIMERS

Withdrawal:

The right to withdraw or add any parcels to this list is hereby reserved by the County Land Commissioner and all sales will be considered FINAL.

Bidding:

All listed properties will first be offered at a public auction. All property will be sold to the highest responsible bidder. The minimum bid will begin at appraised value specified for the tract. Bidding may be extended if a bid is placed within the closing five minutes of the auction as specified in the online bidder terms.

If parcel is not sold at auction, it will be for sale, over-the-counter, on a first come, first served basis, until such time as the County Board or Land Commissioner may order a reappraisal, or withdraw said lands from sale. The county reserves the right to reject any bidder who has defaulted on a land sale contract.

Zoning:

All parcels of land sold hereunder shall be subject to zoning ordinances, existing easements, existing railway and highway easements, power and pipeline easements and leases, if any.

All lands whether zoned or not zoned which do not abut a legalized highway are subject to any and all existing restrictions empowered by statute relating to the expenditure of public lands.

Properties sold by the Itasca County Land Department are subject to local zoning ordinances. Please contact your local zoning administrator to obtain copies of these ordinances. No structure or part thereof shall be erected, constructed, moved or structurally altered, and no land shall change in use until the local zoning authority has approved and issued a land use permit.

Boundaries:

Itasca County is not responsible for locating boundaries on tax-forfeited lands.

Subject To:

All sales are subject to existing liens, leases, easements, deed restrictions, dedications, and rights-of-way. Most mortgages and liens, except Federal and State Liens, are canceled at forfeiture. It is the responsibility of each potential Buyer to thoroughly research this information.

Assessments:

Any lands offered for sale may be subject to unpaid assessments against the property. Before purchasing, any prospective buyer should consult the City Office for properties in the City of Grand Rapids, or the City/Town Clerk for all other locations, in respect to any unpaid assessments that may exist. Any assessments against the property for public improvements after the property forfeited to the state shall be assessed against the property and paid for at the time of purchase, pursuant to Minnesota Statutes, 282.01, Subd. 3. Any municipality or other public authority is authorized to make a reassessment or a new assessment to a parcel in an amount equal to the remaining unpaid original assessment at the time of forfeiture (Minnesota Stat. 429.071, Subd. 4 and 435.23).

Restrictive Covenants:

Some non-platted lands listed for sale may contain non-forested marginal land or wetland as defined in Minnesota Statutes. The deed for these parcels will contain a restrictive covenant, which will prohibit enrollment of the lands in a state funded program providing compensation for conservation of marginal land or wetlands. Notice of the existence of non-forested marginal land or wetlands will be available to prospective bidders upon request.

Wetlands:

Except for land in platted subdivisions and lands conveyed for correcting legal descriptions, all deeds requested after August 1, 1991, will contain the following statement: This property is not eligible for enrollment in a state funded program providing compensation for conservation of marginal land and wetlands.

Itasca County has not performed any wetland delineation on parcels offered for sale, unless otherwise noted. No refunds will be made due to presence of wetlands.

Minerals and Mineral Rights:

Pursuant to Minn. Stat. 282.12, the State of Minnesota shall reserve all tax-forfeited minerals and mineral rights, and water-power rights on tax-forfeited lands. Pursuant to the terms of Minn. Stat. 373.01, all mineral rights shall be reserved on direct county lands, together with the right to explore for, mine, and remove minerals thereon.

Lead:

Some properties may present exposure to lead from lead-based paint that may place young children at risk of developing lead-based poisoning. If you are interested in purchasing a single family dwelling built prior to 1978, you have the right to conduct a risk assessment or inspection for lead-based paint hazards, at your expense, at least ten (10) days before the sale date. Contact the Itasca County Land Department, 1177 LaPrairie Avenue, Grand Rapids, MN 55744, phone no. 218-327-2855, to arrange to see the property for such an inspection or assessment.

Radon:

The Minnesota Department of Health strongly recommends that ALL homebuyers have an indoor radon test performed prior to purchase or taking occupancy and recommends having the radon levels mitigated if elevated concentrations are found. Every buyer of an interest in residential real property is notified that the property may present exposure to dangerous levels of indoor radon gas that may place the occupants at risk of developing radon-induced lung cancer. Radon, a Class A human carcinogen, is the leading cause of lung cancer in nonsmokers and the second leading cause overall. The seller of any interest in residential real property is required to provide the buyer with any information on radon test results of the dwelling. Itasca County has not performed nor is aware of any radon testing on parcels offered for sale, unless otherwise noted. The County will provide a copy of the Minnesota Department of Health's Radon in Real Estate Transactions publication to any purchaser of residential tax-forfeited or direct county property.

Fees:

The County Auditor shall charge and collect in full at the time of sale for the State of Minnesota an assurance fee of 3% of the total sale price of the land, timber and structures. Additional fees such as recording fees, deed fees, and deed taxes will be explained at the time of closing. Purchaser is required to pay a fee of \$50.00 for recording the well certificate where applicable, prior to the Auditor/Treasurer delivering the deed to the purchaser.

Down Payment:

For each parcel of land sold, the down payment must be paid at the time of the sale, or the parcel will be sold to the next highest bidder. The County reserves the right to require payment in full at time of sale if the bidder has previously defaulted on a land sale contract or repurchase agreement. Payment must be made by certified funds if purchaser has ever made payment that has been returned non-sufficient funds (NSF).

Timber:

For those parcels for which there is an estimated volume of timber, the value of the timber must be paid in full at the time of purchase, in addition to the down payment stated above.

ITASCA COUNTY MAKES NO REPRESENTATIONS, WARRANTIES, OR GUARANTEES WITH RESPECT TO ACCESS TO STATE TAX-FORFEITED LANDS SOLD. ALL LANDS ARE SOLD AS IS, WITHOUT WARRANTIES OR REPRESENTATION OF ANY KIND.

NOTICE OF AWARD

Successful bidders will receive a Notice of Award by email from PublicSurplus.com.

PAYMENT AMOUNT DUE UPON SALE

Down Payment:

The appraised value of timber products listed and 10% of the total sale value or \$500.00, whichever is greater. No timber or earthen materials shall be removed, harvested or damaged until the entire purchase price for the parcel is paid in full. All sales values under \$501.00 are due the day of the sale.

State Assurance Fee:

A state assurance fee of 3% of total sale price of land, timber and structures will be collected. This percentage is state mandated and goes into the State's General Fund to cover losses in the event that the state has to defend its right to forfeit land.

Deed Fee:

Pursuant to Minn. Stat. 282.014, a \$25.00 fee will be charged to purchasers of tax-forfeited land for issuance of the state tax deed. Purchasers of direct county land must pay a \$25.00 deed issuance fee and will receive a Quit Claim Deed from Itasca County.

Deed Tax:

A deed tax of \$1.65 for the first \$3,000.00 of the purchase price plus \$1.65 for each additional \$500.00 or fraction thereof shall be paid by the purchaser to the County Auditor/Treasurer. If purchase price is over \$3,000.00, a Federal ID or Social Security Number is required.

OBLIGATION OF BIDDER

At the time of auction's closing, each bidder will be presumed to have inspected the site as well as to have read and to be thoroughly familiar with any and all plans, contract documents (including any addenda), and documents attached to the auction listing.

The failure or omission of any bidder to inspect the site or examine any form, instrument or document shall in no way relieve any bidder from any obligation in respect to their bid.

DEFAULT

Default shall include (1) failure to observe these terms and conditions; or (2) failure to make good and timely payment; Default may result in termination of the bid contract and suspension from participation in all future sales until the default has been cured.

If the Buyer fails in the performance of their obligations, Itasca County may exercise such rights and pursue such remedies as are provided by law.

BILL HAMM 

Prejudice Plus Power in Itasca County

W. D. (Bill) Hamm

As a candidate for public office, I procured a booth at the Itasca County fair. As usual it was an educational eye-opening experience. While many issues were at the forefront and the Huber waferboard plant was one of them. It so happened that this business adventure seemed to have fallen apart during that event.

Being one of the persons now being blamed for its demise, it is time for the venting of a bit of truth. Native American "demands for discovery" leading to their Amicus Brief showed that the Governors office had been involved in the Huber discussions for all of 2 years before Native Americans were even made aware the proposal was on the table. As blatant a violation of the 1994 treaty rights as this was, it also has a racist local structure with its own history.

The County fair gave me the opportunity to sit next to one of the very few local people who were brought into the pro "Huber effort." When I use the term "Huber effort", I am speaking of the group of locals who were organized secretly to support the Huber mill. In this case when I use the term "support" I am referring to an effort whose sole purpose was to circumvent Native Treaty Rights guaranteed by the 1994 treaty. Yes, this was a conspiracy to cheat them of their right to equal input at the earliest stages of this effort. Done based on assumptions of what Native people's response would have been.

To clarify this, let's look at the conversation I instigated specifically asking this individual why he became involved in such an attempt? He responded with the following clarification: "You know, as a businessperson I have hired many of those people over the years. Most of them do quite well, but some need a lot of help. The Tribal Councils are the same way, they have a hard time grasping business needs. We served the purpose of providing for those needs on their behalf." As if this blatantly RACIST statement were not enough, he shared an even more revealing view of Native hunting and fishing rights, echoing the "Bud Grant" sentiment that has been present at the Aitkin County Fair for over twenty years. In discussing Native fishing rights, he referred to them as poaching. He further laid down a familiar old claim that not only was this poaching, but that Native peoples were wantonly leaving the fish to rot rather than utilizing them. They used to call this the "spear a squaw and save a walleye" strategy used more commonly by the Mille Lacs Lake anti-treaty rights racists.

These were not the only derogatory statements I heard against Native folks defending their lawful rights. I heard similar comments from others who I now suspect was also part of that racist effort. Many stopped to blame native peoples for the undermining of economic development. To stem this hate mongering, I am demanding that those of you County officials who shared in this act of racist against our neighbors, make formal amends for these moral mistakes and take appropriate action to guard against its reoccurrence. The racist backlash being create by this new White blame game is already building and needs your recognition and articulate action to end it. The secrecy of this effort seals responsibility to rectify this situation on those responsible for it. Own it, don't leave it as a legacy.

1452 MOU - Previously Earned Compensatory Time

BOARD ACTION REQUESTED:

Approve and authorize necessary signatures for the Local 1452 MOU regarding Previously Earned Compensatory Time.

BACKGROUND:

The Local 1452 Collective Bargaining Agreement (CBA), Article 6.2 states that "in no case will compensatory time earned, and compensatory time taken occur in the same day". However, there are instances when an employee has previously earned compensatory time that they plan to use on a specific day which they have been given permission to be absent for but then the employee is called in early or is called to return to work outside of their normally scheduled shift or hours. This MOU allows for an employee to use previously earned and approved compensatory time on the same day when they are called in early or called to return to work outside of their normally scheduled shift or hours.

AMERICAN FEDERATION OF STATE, COUNTY

Memorandum of Understanding

Use of Previously Accrued Compensatory Time

This Memorandum of Understanding is entered into between Itasca County (hereafter “County”) and AFSCME Council 65, Local 1452 (hereafter “Union”).

What follows clarifies AFSCME Local 1452 Road & Bridge Bargaining Unit employee eligibility for use of previously accrued compensatory time on days they are called in early or to return to work outside of their normally scheduled shift or hours.

WHEREAS, the County and the Union are parties to a collective bargaining agreement effective January 1, 2022, to December 31, 2024.

WHEREAS Article 6 of the collective bargaining agreement addresses Hours of Work. Section 6.2 states, “In no case will compensatory time earned, and compensatory time taken occur in the same day.”

WHEREAS AFSCME Local 1452 Road & Bridge Bargaining Unit employees have scheduled use of their previously accrued compensatory time on a day they are subsequently called in early or called back after their scheduled shift or hours. In these instances, an employee may elect compensatory time in lieu of overtime payment or using accrued vacation time.

WHEREAS “scheduled” shall mean a time off request submitted through the County’s timekeeping system Kronos and approved by their supervisor. Scheduled does not mean through verbal conversation, an email, or text message to ensure accurate record keeping and prevent confusion between employees and their supervisors.

NOW, THEREFORE, in recognition of the above, the County and the Union, have agreed as follows:

- For the duration of the term of the current collective bargaining agreement (December 31, 2024), the County will allow employees the ability to use previously accrued and **scheduled** compensatory time off and earn compensatory time on the same day, when employees are called in early or to return to work outside of their normally scheduled shift or hours.

EXAMPLE: On Tuesday an employee requests and is approved 4 hours off Friday afternoon utilizing their previously earned and accrued compensatory time. A storm

occurs Friday resulting in the employee being called in either early in the am hours prior to the scheduled shift or called back in the late PM hours.

- In no instance shall an employee be allowed to use compensatory time earned on the same day.

EXAMPLE: On Tuesday an employee comes in early to snowplow, and the day's activities are such that an employee is able to take an hour off at the end of that day. Since this was not previously scheduled, the employee must take that time off as vacation time if they choose to take the overtime as compensatory time. Alternatively, the employee can take the overtime in pay and use comp time for the hour off.

COVID-19 Update

Date: 8-23-2022

Itasca County Situational Update

1. The MN Dept of Health has moved to a weekly dissemination of COVID data – with distribution on Thursdays via their COVID-19 dashboard on their website. That data is submitted to CDC who update on our community level spread of COVID with the scale of “low, medium and high” community spread.
2. The goal is for individuals to make decisions on their level of risk of contracting COVID and related to their potential risk for complications.
 - i. Itasca was moved to a “high” level of community spread as of last Thursday.
 - ii. If at high level, recommendation is to wear a high-quality mask or respirator and to avoid unnecessary indoor activities.
3. Factors included in the new CDC community level spread scale include: New cases in 7 day period per 100,000 – (more difficult to monitor with the availability of at-home testing).
4. % inpatient beds utilized by patients with COVID – so severity of cases. (Itasca hospitals have some COVID cases on inpatient status, although not a high number of their occupied beds)

Itasca County has 59% of its entire population who has received at least 1 vaccination dose for COVID-19. 26,867 people.

We have had a total of 152 deaths from COVID and 27 of these were in persons fully vaccinated.

5. Public Health in general has scaled back COVID work.
 - i. We continue to have a message line for COVID questions. Media releases are occurring at least monthly or as needed.
 - ii. We are considering what vaccinations in the fall may look like when an additional omicron specific vaccine is distributed. We will be looking to our clinic and pharmacy partners to provide the majority of the vaccinations and we will be looking at any gaps that need coverage.
6. Public health is scheduling our influenza clinics for the fall. We provide influenza vaccination in each of the Itasca school buildings and some community sites. This year we will offer nasal mist in addition to injectable vaccination.
7. In general PH is getting back to our community work including our focus on our community health assessment of which substance use and mental health were identified as our top health priorities.
8. And we are still working on our caseloads for prenatal and early childhood home visiting, assessment and case management for elderly and disabled individuals, and WIC.

Our WIC clinics are again taking place monthly in DR, Keewatin and Bigfork and we have resumed in person visits for new clients and new babies.

AGENDA ITEM:

Project Labor Agreement for CSAH 7

BOARD ACTION REQUESTED:

Authorize the County Transportation Department to not require a project labor agreement (PLA) on the upcoming federal aid project on CSAH 7.

BACKGROUND:

CSAH 7 is estimated to be a 4 million dollar project and includes bituminous rehabilitation and subgrade correction. This project has 1.32 million dollars of federal aid associated with it. Historically, allowing the use of a PLA on federal aid projects varied from administration to administration. While previously it was very difficult to obtain approval for the use of a PLA on a federal aid project, currently it is possible but very time-consuming. 6 months should be allowed for the review of a PLA prior to plan submittal.

In 2007, the County Board passed a resolution requiring consideration of a PLA on any project over \$150,000. The resolution requires the following factors be considered when determining if a PLA is appropriate.

- Project size and value - \$4,000,000
- Project timelines and deadlines - The road will likely have minor detours while subgrade correction is taking place but will remain open at all other times. Any delays should not cause financial hardship.
- Potential for budgetary overruns - This project is a bituminous rehab project which has minimal potential for overruns
- Labor availability - In 2022 we have received multiple bids for bituminous construction projects and I anticipate no labor shortage related to this type of construction
- Need for coordination of project phases - There are minimal phases associated with this project. Simple subgrade correction and then paving.

Given the limited concern related to the impact of this construction, it is my recommendation that a PLA not be required for this project.

RESOLUTION
OF THE
COUNTY BOARD OF COMMISSIONERS
ITASCA COUNTY, MINNESOTA

Adopted August 28, 2007

Commissioner Dowling moved the adoption of the following resolution:

Resolution No. 08-07-11 (Page 1 of 2)

RE: UTILIZATION OF PROJECT LABOR AGREEMENTS FOR
PROJECTS EXCEEDING \$150,000

WHEREAS, the Itasca County Board of Commissioners acknowledges that its contracts for work, labor, construction and other designated contracts are governed by Minn. Stat. 375.21; and

WHEREAS, when those contracts exceed the amounts prescribed by law, the County is required to prepare bid specifications and advertise for competitive bids; and

WHEREAS, unless the County rejects all bids, the County is required to award the contract to the lowest responsible bidder; and

WHEREAS, the purposes of Minn. Stat. 375.21 include: 1) promoting and ensuring open competition by all interested parties irrespective of their size or affiliation; and 2) providing bidders with equal opportunity without granting an advantage to one or placing others at a disadvantage; and

WHEREAS, in appropriate cases, project labor agreements facilitate the timely and cost-efficient completion of the project by: 1) making available a ready and adequate supply of skilled craftworkers; 2) providing a negotiated commitment which is a legally enforceable means of assuring labor stability and labor peace over the life of a project; 3) avoiding work stoppages following expiration of collective bargaining agreements between the union and an employer performing work on a project; and 4) facilitating equal employment opportunities on a project; and

WHEREAS, the Minnesota Appellate Courts have upheld the utilization of project labor agreements in appropriate cases where a rational basis exists for the use of such agreements and the governing body conducted a fact-specific analysis to form a rational basis for their use.

WHEREAS, project labor agreements will not be utilized where funding sources for the project restrict their use.

WHEREAS, project labor agreements will not be utilized if prohibited by law.

NOW, THEREFORE, BE IT RESOLVED, that it shall be the policy of Itasca County to engage in a determination whether a rational basis exists for the utilization of project labor agreements in all contracts for work, labor, construction and other contracts designated by law where the value of such contract equals or exceeds the sum of \$150,000.00. Factors to be considered by the Board in its determination may include, but are not limited to: 1) project size and value; 2) project timelines and deadlines; 3) potential for budgetary overruns; 4) labor availability; 5) need for coordination of project phases; and 6) other factors deemed to be relevant by the Board in its analysis.

BE IT FURTHER RESOLVED, that the Itasca County Board of Commissioners directs that it shall be the responsibility of the department heads of the several county departments to timely gather and present the facts the County Board needs to make an informed determination on the need for a project labor agreement for a particular project, and to ensure that bid specifications and relevant bid documents are prepared so as to conform to the County Board's directives.

BE IT FURTHER RESOLVED, that in those cases where the utilization of a project labor agreement is deemed to be appropriate the agreement shall be in a form approved by the Board of Commissioners.

Commissioner McLynn seconded the motion for the adoption of the resolution and it was declared adopted upon the following vote:

RE: APPROVE LOCAL OPTION SALE AND USE TAX BALLOT QUESTION

WHEREAS, Itasca County Board of Commissioners approved a Local Option Sales and Use Tax request to be made to the MN Legislature on 01/26/2021 (Resolution 2021-4); and

WHEREAS, the MN Legislature approved Itasca County's Local Option Sales and Use Tax request during the 2021 General Legislative Session; and

WHEREAS, Itasca County desires a voter decision through a Local Option Sales and Use Tax ballot question during the 2022 General Election on the enactment of a 1% Local Option Sales and Use Tax to pay for the construction and remodel costs of the new Justice Center that was approved by Board action on November 9, 2021.

NOW THEREFORE BE IT RESOLVED, the following language will be placed on the ballot for the November 2022 General Election for the Local Option Sales Tax Vote:
