Flu clinics will be starting at the beginning of October. You can also receive a flu vaccine within the community at your local pharmacy, clinic, or Public Health. Covid is currently low in our county. There is an updated Covid vaccine that is coming out, reach out to your local provider or pharmacy if you're interested. Public Health, currently, has not ordered any Covid vaccines. The Covid vaccines are now covered under your insurance and if you do not have insurance, there are alternate ways to get coverage. Eric shared Kelly Chandler's last day at Itasca County was August 28th and she served over 20 years in Itasca County Public Health and we wish her well. Naesa is coming over from Grand Itasca, prior to that she was a Public Health nurse in the agency and has a passion for Public Health. Lastly, Public Health has an Americore person working until end of July, helping review data and determine any gaps in mental health for the teen and college age individuals.

IMCare is working on implementing all the 2023 legislative changes such as new benefits, new benefit limits, definition of services etc. IMCare is continuing to work on the Itasca County Health Equity collaborative, engaging with different community partners and providers and holding quarterly meetings focusing on setting goals on how to improve health equity in our community and county.

HHSAC Subcommittee Reports:

AMHAC: Dan updated they had a peer-provider speak at their September meeting. He shared his story with the group and found that becoming a peer support specialist helped in his recovery. City of Keewatin Cooperative Maintenance Agreement

BOARD ACTION REQUESTED:

Approve the Cooperative Maintenance Agreement with the City of Keewatin and provide the necessary signatures.

BACKGROUND:

The City of Keewatin and Itasca County have a Cooperative Maintenance Agreement dating from 1994. The contract details the responsibilities of each party. We were able to meet with the City in Spring of 2023 and September of 2023 to discuss updating the agreement. Major changes will be the County completing the snow and ice control on the County Roads within Keewatin as well as street sweeping in Spring and Fall. The County will no longer provide the city with Salt/Sand, which was the 1994 agreement for their snow and ice control services.

AGENDA ITEM:

2022 Unorganized Township Bill

BOARD ACTION REQUESTED:

Approve the transfer of funds in the amount of \$1,500,000 from the Unorganized Township road and bridge accounts to the County Road and Bridge fund for road maintenance costs in Unorganized Townships.

BACKGROUND: In September of 2020, the County Board adopted a new Unorganized Township Road and Bridge policy which outlines how road maintenance costs on the unorganized township system would be reimbursed to the County Road and Bridge fund. The policy states that a maximum reimbursement amount is set in the annual budget. The following year, the Transportation Department will provide a list of actual costs for the system and create a bill for the transfer of funds. Any amount over the budgeted amount will be covered by the County Road and Bridge fund.

2023 Budgeted Revenue Amount: \$1,500,000.00

2022 Actual Expenditures: \$2,045,054.42

Since expenditures were above the budgeted amount, the entire \$1,500,000 should be transferred to the County Road and Bridge fund.

ITASCA COUNTY POLICIES & PROCEDURES	EFFECTIVE DATE: 9/8/2020	POLICY #:
	RBA #: 2020- 904	BOARD APPROVAL DATE: 9/8/2020 Format Updates:
	REFERENCES:	
Transportation Department		
SUBJECT: Unorganized Township Road Policy		

Unorganized Township Road Policy

The following policy has been established to provide guidelines and procedures for funding unorganized township road and bridge maintenance and improvements.

Background:

1. Itasca County has by resolution 2016-64 adopted December 13, 2016, designated a network of roads as unorganized township roads.
2. Itasca County received special legislation in 1999 through Chapter 115 – S.F. 1012, which states “Notwithstanding Minnesota Statutes, section 163.06, subdivision 4, the road and bridge fund tax money collected from unorganized townships in Itasca County need not be set apart in separate funds for each township. Notwithstanding Minnesota Statutes section 163.06, subdivision 5, road and bridge fund tax money that is collected from the various unorganized townships may be expended by the Itasca County board in any of the unorganized townships in the County”.

Funding Areas:

Although the special legislation allows for the revenues from unorganized township road and bridge levies to be combined into one fund and to be spent in any unorganized township, there remains a need to better utilize those funds in a manner which best serves the area in which those funds are collected. Unorganized Townships with similar geographical and functional characteristics have been divided into six Sub-Areas as shown on the attached map.

Accounting:

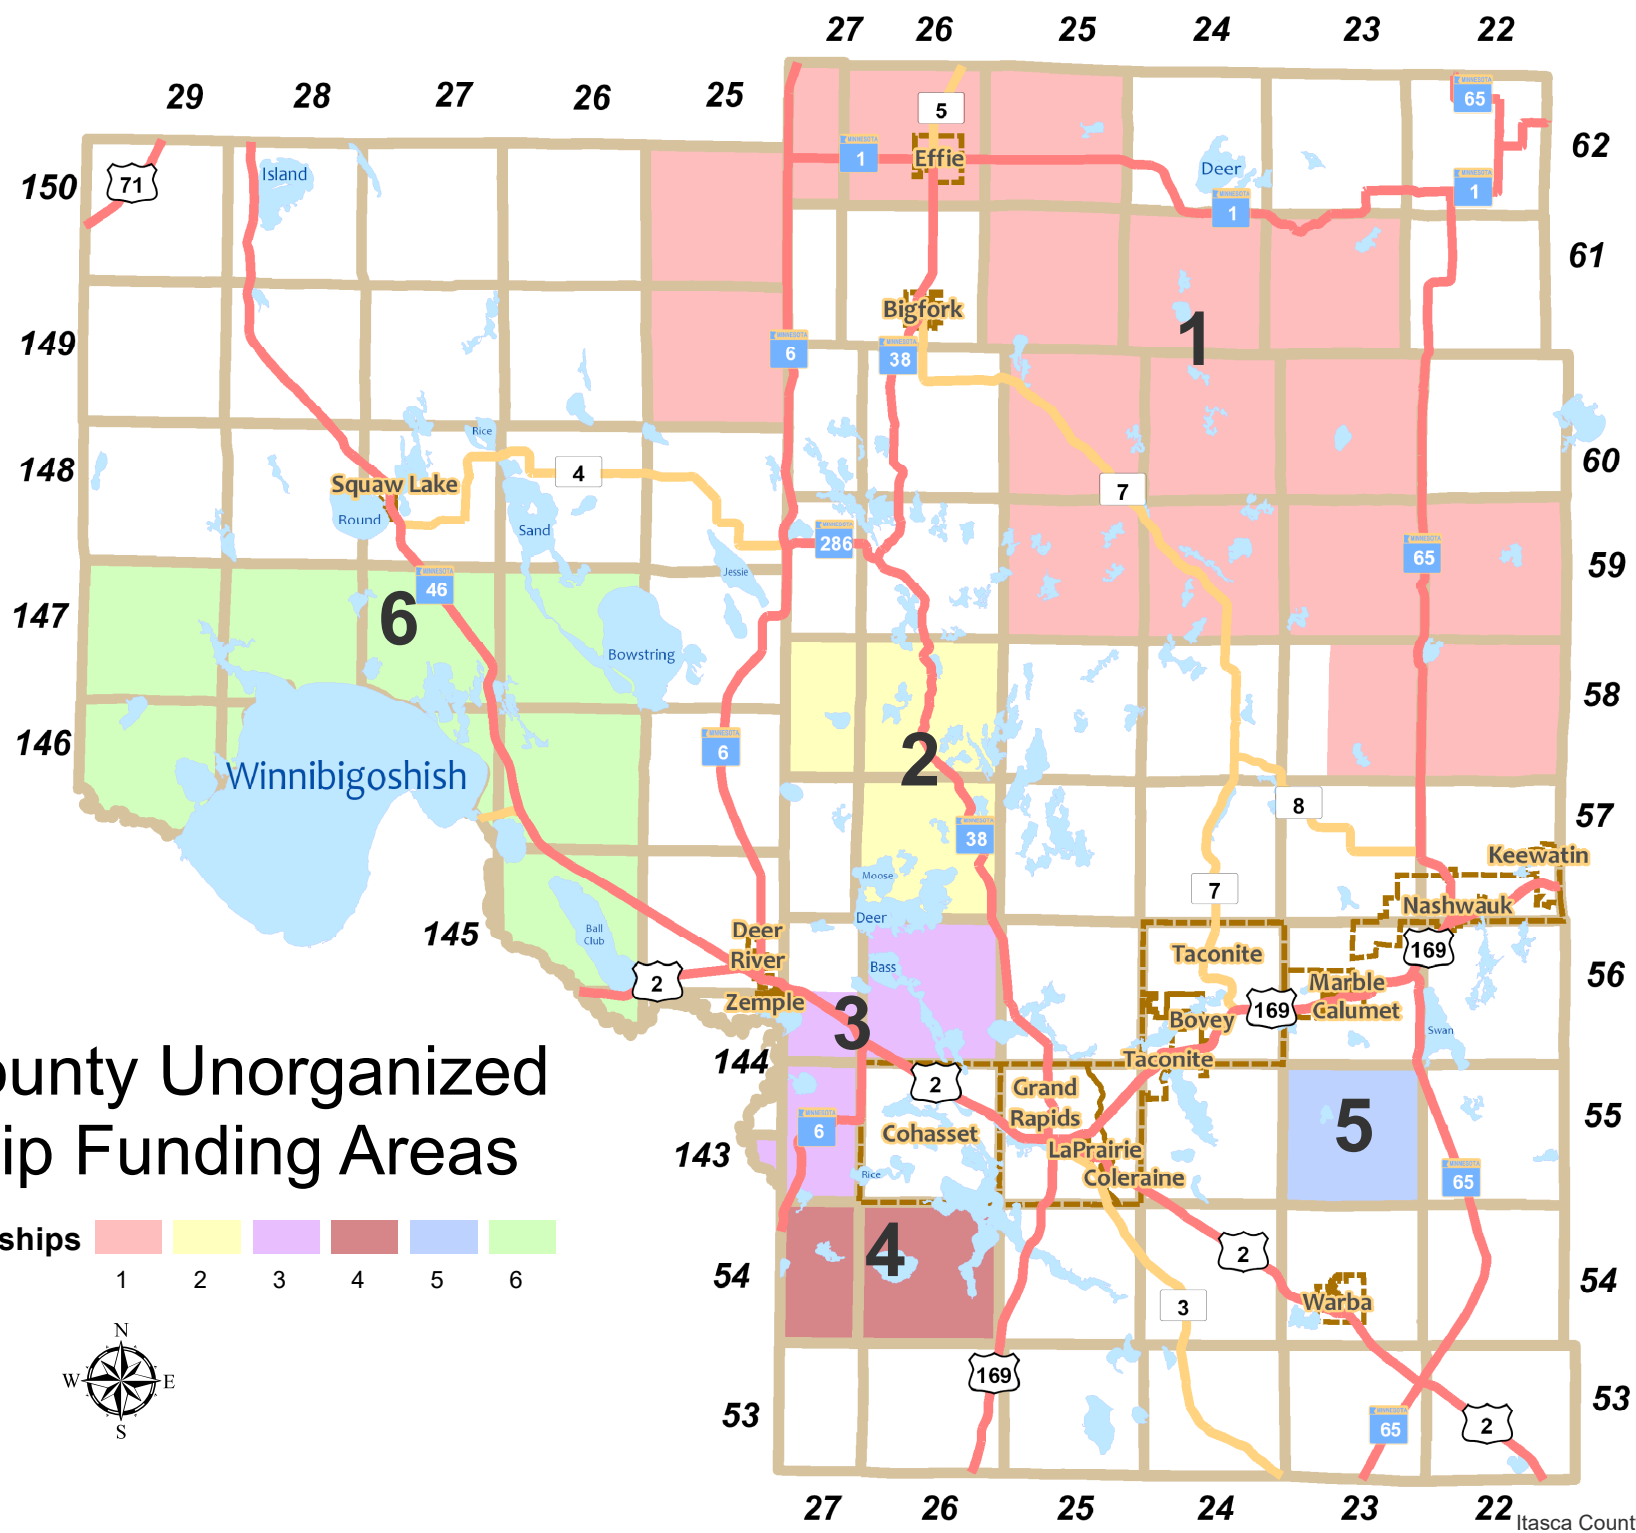

1. The unorganized township road and bridge fund tax capacity rate for each unorganized township shall be made equal and be set annually by the Itasca County Board.
2. The County Board will set an annual budget for the unorganized township maintenance expenses. The Transportation Department will determine the actual costs to the UT System after year-end and create a bill for transfer of

funds. The bill will not exceed the budget amount, with any additional costs being covered by the County Road and Bridge fund.

3. Funds in the UT System that are not utilized for maintenance, will be held for construction projects, established through the five-year plan.
4. The Auditor Treasurer's office will create new accounting codes, one for each funding area, and move monies from the individual unorganized township funds to their appropriate funding area. From that point forward, incoming taxes and fees, and outgoing reimbursements and expenses will be kept by funding area. The cumulative total of the funds available for the UT System will not go below zero. If the UT fund is depleted, continued maintenance will be funded by the County road and bridge fund.

AGENDA ITEM:

Sponsor Resolution for Feeley Township LRIP Application

BOARD ACTION REQUESTED:

Adopt the Resolution Re: Resolution of Support from Sponsoring Agency, which indicates that Itasca County agrees to act as the sponsor/fiscal agent for an application for funding from the Local Road Improvement Program (LRIP), as requested by Feeley Township.

BACKGROUND:

The LRIP has a program called the Local Road Improvement Program and Townships can apply for funds to improve local roads. The maximum grant amount is \$1.5 million. The funds can only be used for capital construction costs and townships must pay for all project development costs including, but not limited to, engineering, permitting and right-of-way. Additionally, the Township must agree to cover all costs in excess of the grant amount.

Townships are required to have their local County act as a sponsor and fiscal agent for the project.

Feeley Township is applying for LRIP funds to rehabilitate Shallow Lake Road from Highway 2 to South Shallow Lake Road. The road is paved and the bituminous has reached the end of its useful life and needs to be rehabilitated.

The Township has passed a resolution committing to the project and agreeing to cover any costs not covered by the LRIP grant.

Recreational Trail License with L&M Fleet Supply

BOARD ACTION REQUESTED:

Approve the Recreational Trail License Agreement by and between L&M LaPrairie Holdings, LLC and Itasca County for the Driftskippers Grant-in-Aid Snowmobile Trail and authorize necessary signatures.

BACKGROUND:

The "Thru Town" Driftskipper Snowmobile Trail runs from Hwy 2 north to the "Old Rainbow Inn" lot that was purchased by L&M Fleet Supply last year. Through discussions with their representative, the Club, and Itasca County, a request was made for a Recreational Trail License agreement for the designated snowmobile trail in place of the landowner's permission form. We provided them with our attorney's approved Recreational Trail License in place with Mesabi Metallica. They agreed and signed the document.

WITNESSETH

WHEREAS, Licensor has certain ownership rights in the premises more particularly described in Exhibit "A" attached hereto and forming part of this agreement (the "Licensor's Premises"); and

WHEREAS, Licensee is interested in developing a grant-in-aid recreational snowmobile trail on, over, through, and across part of the land described on Exhibit A and as depicted on Exhibit B.; and

WHEREAS, Licensee has requested permission to construct, maintain, repair, and operate a sixteen foot (16') wide trail through and across the Licensor's Premises for the purpose of constructing, maintaining, repairing and operating the grant-in-aid recreational snowmobile trail.

NOW, THEREFORE, in consideration of the covenants and promises hereinafter made, to be observed and performed by the Licensee, Licensor hereby licenses to the Licensee, only insofar as Licensor has a legal right to do so, to construct, maintain, operate, and repair a sixteen foot (16') wide trail across the Licensor's Premises in the approximate location of the trail marked in red on the map of the Licensor's Premises attached hereto as Exhibit "B", and forming part of this agreement and, subject to all of the provisions hereinafter set forth, for a period of twenty (20) years from the effective date hereof, subject to Licensor's rights of termination as hereinafter provided, it being understood and agreed, however, that the Licensee shall not, by virtue hereof, acquire, and this License does not grant to the Licensee, any right, title or interest, legal or equitable, in the licensed premises except as specifically granted herein.

1. The license herein is made expressly subject to all existing rights-of-way occupied or granted upon, over or across the Licensed Premises and to all other public and private rights existing

in and to the Licensed Premises as of the date hereof, and to the following reservations, restrictions, limitations and conditions:

- a. The Licensee shall only use the Licensed Premises solely for the purposes herein set forth and for no other purposes whatsoever and, except as provided in section 2(b) and 2(c) of this agreement, the Licensee shall not grant to others the right to use the Licensed Premises, or any part thereof, without the prior written consent of the Licensor.
 - b. This License shall not be construed to be a covenant on the part of the Licensor for quiet enjoyment, it being understood that the Licensor undertakes to grant this permission only to the extent of its interest in and to the said premises, as the same may appear, and only insofar as it has the legal right to do so; and
 - c. It is understood that the Licensee shall, prior to its use and occupancy of the Licensed Premises, obtain all necessary licenses and permissions therefore from the proper public authorities, and the said use and occupancy thereof and all operations hereunder shall be conducted in strict compliance with all laws applicable thereto and with all rules and regulations promulgated, adopted and published by any commission or other governmental body having authority in the matter.
2. The Licensee, in consideration of the license granted herein, covenants and promises as follows:
- a. To exercise the license in a suitable and proper manner and at no cost and expense to the Licensor. Licensee agrees that it shall without cost to Licensor (except as Licensor may voluntarily contribute) be responsible for all necessary maintenance work upon the Licensed Premises, policing the Licensed Premises and keeping the same in a neat and orderly condition. Licensor shall have no responsibility for the condition of the trail on the Licensed Premises or for policing the safe and proper use of the grant-in-aid recreational snowmobile trail.
 - b. To post such directional and informational signs on the Licensed Premises in a manner consistent with signage guidelines found in the MN DNR "Trail Planning, Design, and Development Guidelines" manual as hereafter amended. trail; to post signs marking the Licensed Premises; to manage vegetation, through selective planting or removal of trees or plant species; and to designate any and all the aforementioned rights to the duly organized non-profit organizational club(s) designated through the Minnesota Trails Assistance Program (commonly known as Grant-in-Aid program).

- c. To allow members of the general public access to and use of the Licensed Premises without charge for snowmobile trail riding.
- d. To protect the Licensed Premises and to keep the title free and clear of and from any and all mechanics', laborers', materialmen, or other liens, claims, clouds and encumbrances in any manner arising from or growing out of any use or occupancy of or any work or operation conducted upon or in connection with the Licensed Premises, or any part thereof, by or on behalf of Licensee.
- e. Not to assign this License or any of the privileges herein granted without the prior written consent of the Licensors except that the Licensee may allow use of the trail by others solely for the purposes allowed under this Recreational Trail License.

3. Licensors and Licensee also agree as follows:

- a. Licensors grant this License and Licensee accepts this License for the purpose of allowing public use of the Licensed Premises without charge for recreational purposes within the meaning of Minn. Stat. Sec. 604A.20 through Minn. Stat. Sec. 604A.27, with the intention that Licensors and Licensee shall thereby be immune from liability in accordance with said sections.
- b. Subject to the provisions and liability limitations of Minnesota statutes chapter 466.04 now or as hereafter amended and other applicable law and statutes, without intending to waive either party's statutory immunity from liability under Minn. Stat. Sec. 604A.20 through Minn. Stat. Sec. 604A.27, Licensee agrees to assume and hereby does assume, as between Licensee and Licensors, any and all liability for injury to or death of persons and loss or destruction of or damage to property, including said Licensed Premises, in any manner arising from or growing out of or alleged to have arisen from or grown out of the occupation, entry, and use of the Licensed Premises, or any part thereof, by or under Licensee, however such injury, death, loss, destruction or damage may occur or be caused, and to make good any damage to the property of the Licensors resulting from the entry, occupation and use, authorized or not, of the

Licensed Premises or any part thereof by or under Licensee, it being the intent and purpose of this License that no additional risk or liability is assumed by the Licensor;

- c. Subject to the provisions and liability limitations of Minnesota statutes chapter 466.04 now or as hereafter amended and other applicable law and statutes, Licensee agrees to release, discharge, protect, indemnify, save and hold harmless the Licensor of and from any and all claims, demands, suits, actions, causes of actions, damages, losses, recoveries, judgments, costs and expenses whatsoever, which shall or may be caused or occasioned by or result from any use or occupancy of the licensed premises by or under Licensee;
- d. Licensee agrees to release and discharge the Licensor of and from any and all claims for damages to or destruction of the said Licensed Premises, or any part thereof, in any manner caused by or under the Licensor, whether the same be due to the negligence of the Licensor, its officers, representatives, agents or employees, or otherwise, or arising from any other cause whatsoever.
- e. Licensor and Licensee agree that Licensee's obligation under this Recreational Trail License to release, discharge, protect, indemnify, save and hold harmless Licensor shall not apply where Licensor has willfully taken action to cause injury so as to deprive the parties of the statutory immunity from liability afforded by Minn. Stat. Sec. 604A.20 through Minn. Stat. Sec. 604A.27.
- f. This Section 3 shall not be construed so as to create any liability on the part of the Licensee or the Licensor for which either of them would otherwise be immune from liability, or be subject to limitations of liability, under applicable Minnesota Statutes.
- g. Notwithstanding any other provision of this Recreational Trail License, Licensee's liability to Licensor shall be limited as provided in this Paragraph 3(h).

Licensee shall procure and maintain liability and umbrella liability insurance, naming Licensor as an additional insured, with limits of \$1,000,000 per person, \$1,000,000 per occurrence, and umbrella liability coverage of \$5,000,000. The total liability, in the aggregate, of Licensee, its officers, employees, agents, and any of them, to Licensor and anyone claiming by, through or under Licensor, for any and all claims, losses, costs or damages whatsoever arising out of, resulting from or in any way related to the recreational trail project which is the subject of this Recreational Trail License,

from any cause or causes, including but not limited to the negligence, errors, omissions, strict liability or breach of contract or warranty express or implied of Licensee or Licensee's officers, employees or agents or any of them, shall not exceed the total insurance proceeds paid on behalf of or to Licensee by Licensee's insurers in settlement or satisfaction of claims of Licensor or third parties, or any of them, under the terms and conditions of Licensee's insurance policies applicable thereto. If no insurance coverage is provided with respect to a claim, then the total liability, in the aggregate, of Licensee and Licensee's officers, employees, agents, and any of them, to Licensor and anyone claiming by, through or under Licensor, for any and all such uninsured claims shall not exceed \$1,000,000.

4. At any time, in Licensor's sole and exclusive discretion, for any reason or no reason, and at Licensor's convenience, Licensor may terminate this Recreational Trail License, as to the whole or any part of the Licensed Premises, by providing Licensee with 12 months (365 days) days' advance written notice of intent to terminate, and, upon the expiration of said 12 months (365 days), this Recreational Trail License and any and all rights and privileges granted hereunder shall terminate. Termination of this Recreational Trail License for any reason whatsoever shall not relieve Licensee from any of Licensee's responsibilities, liabilities or obligations arising out of actions or events occurring prior to the effective date of such termination. Any delay on the part of Licensor in enforcing any of the provisions of this Recreational Trail License shall not constitute a waiver by the Licensor of its rights hereunder; and a waiver by the Licensor of a default shall not be deemed a waiver of any subsequent default of the Licensee.
5. Upon receiving notice from Licensor of Licensor's intent to terminate this Recreational Trail License for the whole or any part of the Licensed Premises, Licensee, at its own cost and expense, shall, as promptly as possible, but in any event within ninety (90) days after receiving the Licensor's notice of intent to terminate, remove all property and material which Licensee has, under this Recreational Trail License or otherwise, erected, constructed or placed upon the Licensed Premises and Licensee shall restore and leave the same in a neat and proper condition. Should the Licensee, for any reason whatsoever, fail within the ninety (90) day period to remove any of said property and material from the Licensed Premises, then and in that event, the Licensor, without further notice to the Licensee, shall have the right to cause the Licensed Premises to be placed in such neat and proper condition at the cost and expense

of the Licensee or Licensors may appropriate said property and material to its own use without compensation to the Licensee or to any other party, and Licensee hereby agrees to reimburse and pay the Licensors for any and all loss, cost, and expense so sustained and incurred.

Stat. Sec. 604A.20 through Minn. Stat. Sec. 604A.27.
- f. This Section 3 shall not be construed so as to create any liability on the part of the Licensee or the Licensors for which either of them would otherwise be immune from liability, or be subject to limitations of liability, under applicable Minnesota Statutes.
- g. Notwithstanding any other provision of this Recreational Trail License, Licensee's liability to Licensors shall be limited as provided in this Paragraph 3(h).

Licensee shall procure and maintain liability and umbrella liability insurance, naming Licensors as an additional insured, with limits of \$1,000,000 per person, \$1,000,000 per occurrence, and umbrella liability coverage of \$5,000,000. The total liability, in the aggregate, of Licensee, its officers, employees, agents, and any of them, to Licensors and anyone claiming by, through or under Licensors, for any and all claims, losses, costs or damages whatsoever arising out of, resulting from or in any way related to the recreational trail project which is the subject of this Recreational Trail License,

from any cause or causes, including but not limited to the negligence, errors, omissions, strict liability or breach of contract or warranty express or implied of Licensee or Licensee's officers, employees or agents or any of them, shall not exceed the total insurance proceeds paid on behalf of or to Licensee by Licensee's insurers in settlement or satisfaction of claims of Licensor or third parties, or any of them, under the terms and conditions of Licensee's insurance policies applicable thereto. If no insurance coverage is provided with respect to a claim, then the total liability, in the aggregate, of Licensee and Licensee's officers, employees, agents, and any of them, to Licensor and anyone claiming by, through or under Licensor, for any and all such uninsured claims shall not exceed \$1,000,000.

4. At any time, in Licensor's sole and exclusive discretion, for any reason or no reason, and at Licensor's convenience, Licensor may terminate this Recreational Trail License, as to the whole or any part of the Licensed Premises, by providing Licensee with 12 months (365 days) days' advance written notice of intent to terminate, and, upon the expiration of said 12 months (365 days), this Recreational Trail License and any and all rights and privileges granted hereunder shall terminate. Termination of this Recreational Trail License for any reason whatsoever shall not relieve Licensee from any of Licensee's responsibilities, liabilities or obligations arising out of actions or events occurring prior to the effective date of such termination. Any delay on the part of Licensor in enforcing any of the provisions of this Recreational Trail License shall not constitute a waiver by the Licensor of its rights hereunder; and a waiver by the Licensor of a default shall not be deemed a waiver of any subsequent default of the Licensee.
5. Upon receiving notice from Licensor of Licensor's intent to terminate this Recreational Trail License for the whole or any part of the Licensed Premises, Licensee, at its own cost and expense, shall, as promptly as possible, but in any event within ninety (90) days after receiving the Licensor's notice of intent to terminate, remove all property and material which Licensee has, under this Recreational Trail License or otherwise, erected, constructed or placed upon the Licensed Premises and Licensee shall restore and leave the same in a neat and proper condition. Should the Licensee, for any reason whatsoever, fail within the ninety (90) day period to remove any of said property and material from the Licensed Premises, then and in that event, the Licensor, without further notice to the Licensee, shall have the right to cause the Licensed Premises to be placed in such neat and proper condition at the cost and expense

of the Licensee or Licensor may appropriate said property and material to its own use without compensation to the Licensee or to any other party, and Licensee hereby agrees to reimburse and pay the Licensor for any and all loss, cost, and expense so sustained and incurred.

6. Whenever it is necessary or proper to deliver upon either party to this License a written notice or other instrument, delivery thereof shall be binding upon such party if sent by registered or certified mail, properly addressed to such party at its last known business office, which, in the absence of written notice to the contrary, shall be understood to be:

1. The price per acre is generally less in large volume transactions
2. The topography and utility of the land that was sold vs purchased. Mined land is generally less valuable. Timbered land is generally more valuable.

PURCHASE AGREEMENT

This Agreement made this 10th day of October, 2023, between Boundary Co., a Corporation under the laws of Minnesota, having an address of P.O. Box 23, Bigfork, MN 56628, hereinafter called “Seller”, and the State of Minnesota, in trust for the taxing districts, hereinafter called “Buyer”.

WHEREAS, Seller is the owner of a parcel of real property, hereinafter referred to as the “Property”, legally described as follows:

North half of the Northeast Quarter, Southwest Quarter of the Northeast Quarter, Northwest Quarter and the Northwest Quarter of the Southwest Quarter, Section 4, Township 149, Range 29; all of Section 33, Township 150, Range 29; Northeast Quarter and the Northwest Quarter of the Northwest Quarter, Section 34, Township 150, Range 29, consisting of 1148.93 acres.

WHEREAS, the Buyer wishes to acquire the above described Property; and

WHEREAS, the Seller wishes to sell to the Buyer their interest in the above described Property;

THEREFORE, it is hereby agreed as follows:

1. Transfer of ownership. Seller shall sell and convey by Warranty Deed to the Buyer all of their right, title, and interest, except as otherwise specified herein, to the Property. The parties shall execute any and all documents necessary to transfer the Property in accordance with the real property law of State of Minnesota. The transfer will be accomplished on or before October 13, 2023, subject to extension for title curative matters pursuant to Section 3 below.

2. Sale price. Buyer agrees to pay Seller Eight hundred ninety thousand four hundred twenty dollars and 75/100ths (\$890,420.75) for the Property.

3. Contingency. Seller agrees to grant the Buyer a perpetual easement for recreational purposes over and across Section 15, 22 and 27, Township 150, Range 29, exact location of route to be agreed upon at a later date. This contingency is subject to the completion of the sale of property as detailed in the Land Contract by and between Itasca County and Boundary Company dated October 10, 2023. In the event the purchase is not completed per said Agreement and/or any

renegotiated Agreement thereafter, the Easement will be terminated.

3. Evidence of Title. Seller must provide clear title to the property, subject to the approval of the Buyer. Seller shall, within 10 days after the date hereof, furnish to Buyer any title evidence in the possession of Seller (the "Title Evidence"). Buyer shall return all such Title Evidence that may pertain to land not sold as part of this transaction.

Within 10 days of receiving the Title Evidence, Buyer shall obtain such opinions or commitments for title insurance as Buyer shall deem appropriate. Buyer may, within 15 days of receiving the Title Evidence, make written objections (the "Objections"), if any, to the form of the Title Evidence or to the content of any opinions or title commitments obtained by Buyer. Buyer's failure to make objections within such time period will constitute a waiver of objections. Any matter shown in any opinions or title commitments and not objected to by Buyer shall be a "permitted encumbrance" hereunder. Seller shall have sixty (60) days after receipt of Buyer's objections to satisfy the Objections or indicate that such Objections will be satisfied at or prior to Closing. If Seller is unable or unwilling to satisfy the Objections and so notifies Buyer within said sixty (60) day period, then Buyer, at Buyer's option, may either (i) waive any Objections in which event Buyer shall be deemed to have accepted the condition of title; or (ii) terminate this Agreement in which event neither party shall have any further liability or obligation under this Agreement.

4. Cost of transfer. The Seller shall bear and be responsible for the following: (i) any expenses necessary to provide marketable title to and transfer of the premises to the Buyer as set forth in Section 3 above; (ii) payment of state deed tax; (iii), Seller's pro-rated share of real estate taxes due in the purchase year; and (iv), cost of preparing the Warranty Deed. The Buyer shall bear and be responsible for the following: (i) the Purchase Price; (ii) the cost of obtaining any title opinions or commitments for title insurance as Buyer shall deem appropriate; (iii) Buyer's pro-rated share of real estate taxes due in the purchase year; and (iv) recording fees associated with the recording of the Warranty Deed conveying the Property to Buyer.

5. Binding effect. This agreement shall be binding upon the parties hereto, their heirs, successors and assigns. The terms of this Agreement shall be subject to and interpreted in conformance with the laws of the State of Minnesota.

IN WITNESS WHEREOF, the parties hereto have signed this Agreement on the day and year first above written.

1. Parties. This Land Contract and Purchase Agreement ("this Agreement") is made on _____ between the Boundary Co., a Corporation under the laws of Minnesota having an address of P.O. Box 23, Bigfork, MN 56628 ("Seller"), and Itasca County (c/o Itasca County Land Commissioner), 1177 LaPrairie Avenue, Grand Rapids, Minnesota 55744 ("Buyer").
2. Offer/ Acceptance. Buyer offers to purchase and Seller agrees to sell real property legally described as follows, as set forth in the terms within this Agreement.

All of Section 13, Township 150, Range 29 ; West half of Northwest Quarter, Northeast Quarter and the South half of Section 14, Township 150, Range 29; West half Northeast Quarter, Southeast Quarter of the Northwest Quarter, West Half of the Northwest Quarter, West half of the Southwest Quarter, Northeast Quarter of the Southwest Quarter and Southeast Quarter, Section 15, Township 150, Range 29; East half of Northeast Quarter, Southwest Quarter of the Northeast Quarter, Southeast Quarter, Section 22, Township 150, Range 29; West half of Northeast Quarter, West half of Southeast Quarter and Southeast Quarter of the Southwest Quarter, Section 24, Township 150, Range 29 and Northeast Quarter, South half of Northwest Quarter and South half of Section 27, Township 150, Range 29, consisting of 2,720.92 acres.
3. Contingency. This purchase is contingent upon the Buyer obtaining the necessary grant funding to complete the purchase. This Agreement reflects the parties' intent to seek such funding and parties agree to cooperate and use best efforts to secure such funding within the term of this Agreement. If Buyer cannot secure funding as specified in this Agreement and this Purchase Agreement does not close by the specified deadline, this Agreement is canceled. Buyer and Seller shall reserve the right to re-negotiate and extend this Agreement. In the event an Agreement is not reached by the December 31, 2025, Buyer and Seller shall immediately sign a Cancellation of said Agreement.
4. Terms of Contingency. The Buyer is seeking funding from the Lessard Sam Outdoor Heritage Fund ("LSOH"). LSOH requires an appraisal of the property to be completed by a Level 4 Appraiser licensed in MN. The grant allows payment for said property not to exceed 110% of the appraised value. If the Seller disagrees with the price, they have the option to obtain their own appraisal.
5. Purchase Price and Terms. Buyer shall obtain appraisal. The grant allows payment for said property not to exceed 110% of the appraised value. The Buyer and Seller reserve the right to negotiate an agreed upon price upon completion of the appraisal.
6. Closing Date and Deadline. Funds granted by LSOH run on a yearly basis. In the event the funds are granted for this sale, the funds will be available July, 2025. The date of closing shall be scheduled upon availability of funds. In the event the Buyer does not received funding by December 31, 2025, this Agreement shall be null and void. Seller and Buyer agree to sign a Cancellation of said Agreement.

7. Third party purchaser. LSOH grants are often awarded to a conservation organization as a willing grant applicant/recipient with expertise in granting processes which does so with the intent to transfer interest in the property to a governmental entity. In the event, Itasca County enters an agreement with a conservation organization to complete the LSOH grant, as needed, with a third party conservation organization Buyer.
8. Stumpage rights. Buyer and Seller agree no timber shall be removed from the property described herein, unless mutually agreed upon, during the term of this Agreement.
9. Real Estate Taxes. Seller shall pay real estate taxes, at or before closing, as applicable, all real estate taxes due and payable in all years prior to the year of closing. Real estate taxes due and payable in the year of closing, if any, shall be pro-rated to Seller and Buyer based on the applicable Date of Closing.
10. Closing Costs and Related Items. The Buyer will pay: (a) the closing fees charged by the title insurance or other closing agent, if any, utilized to close the transactions contemplated by this Agreement; (b) fees for title evidence obtained by Buyer; and (c) the recording fees for this Agreement and the Deeds. Seller will pay (a) any transfer taxes and Well Disclosure fees required to enable Buyer to record the Deeds from Seller under this Agreement, and (b) fees and charges related to the filing of any instrument required to make title marketable. Each party shall pay its own attorney fees.
11. Condition of Property. Seller makes no warranties as to the condition of the Property. Buyer and Seller understand and agree that the Purchase Price is the fair market value of the Property in as-is condition. Buyer acknowledges that they have inspected or have had the opportunity to inspect the Property and agree to accept the Property "AS IS."
12. Transfer of ownership. Seller shall sell and convey by Warranty Deed to the Buyer all of their right, title, and interest, except as otherwise specified herein, to the Property. The parties shall execute any and all documents necessary to transfer the Property in accordance with the real property law of State of Minnesota. The transfer is subject to extension for title curative matters pursuant to Marketability of Title as defined in this Agreement.
13. Marketability of Title. As soon as reasonably practicable after the execution of this Agreement by both parties, Buyer shall obtain the title evidence determined necessary or desirable by Buyer. Within 10 days of receiving the Title Evidence, Buyer shall obtain such opinions or commitments for title insurance as Buyer shall deem appropriate. Buyer may, within 15 days of receiving the Title Evidence, make written objections (the "Objections"), if any, to the form of the Title Evidence or to the content of any opinions or title commitments obtained by Buyer. Buyer's failure to make objections within such time period will constitute a waiver of objections. Any matter shown in any opinions or title commitments and not objected to by Buyer shall be a "permitted encumbrance" hereunder. Seller shall have sixty (60) days after receipt of Buyer's objections to satisfy the Objections or indicate that such Objections will be satisfied at or prior to Closing. If Seller is unable

or unwilling to satisfy the Objections and so notifies Buyer within said sixty (60) day period, then Buyer, at Buyer's option, may either (i) waive any Objections in which event Buyer shall be deemed to have accepted the condition of title; or (ii) terminate this Agreement in which event neither party shall have any further liability or obligation under this Agreement.

14. Well Disclosure. The Seller certifies that the Seller does not know of any wells on the described real property.
15. Individual Sewage Treatment System Disclosure. Seller has no knowledge of any individual sewage treatment system on or serving the Property.
16. Time is of the essence for all provisions of this contract.
17. Notices. All notices required herein shall be in writing and delivered personally or mailed to the address shown at paragraph 1 above and, if mailed, are effective as of the date of mailing.
18. Minnesota Law. This Agreement shall be governed by the laws of the State of Minnesota.
19. Specific Performance. This Agreement may be specifically enforced by the parties, provided that an action is brought within one year of the date of alleged breach of this Agreement.
20. No Remedy Exclusive. No remedy herein conferred upon or reserved to the Seller or Buyer is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient.
21. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. No assignment of this Agreement will relieve the assigning party of primary liability for the performance of its obligations hereunder.
22. Complete Agreement. This is the final Agreement between the parties and contains their entire agreement and supersedes all previous understandings and agreements, oral or written, relative to the subject matter of this Agreement. This Agreement may be amended only in a writing dated subsequent to the date of this Agreement and duly executed by all parties.

23. Severability. If any provision of this Agreement is determined by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions herein will remain in full force and effect and shall in no way be affected, impaired or invalidated thereby, so long as the economic or legal substance of the agreements contemplated herein are not affected in any manner materially adverse to any party. Upon such determination, the parties shall negotiate in good faith in an effort to agree upon a suitable and equitable substitute provision to affect the original intent of the parties.
24. No Merger of Representations, Warranties. All representations and warranties contained in this Agreement shall not be merged into any instruments of conveyance delivered at closing, and the parties shall be bound accordingly.
25. Recording. This Agreement shall be filed of record with the property office of the Itasca County Registrar of Titles and/or Office of County Recorder, as pertains to the Property.
26. Conflict of Interests. Seller and Buyer, to the best of their respective knowledge, represent and agree that no member, official, or employee of either Seller or Buyer shall have any personal interest, direct or indirect, in this Agreement, nor shall any such member, official, or employee participate in any decision relating to the Agreement which affects his or her personal interests or the interests of any corporation, partnership, or association in which he or she is directly or indirectly interested. No member, official, or employee of Seller or Buyer shall be personally liable to the other party, or any successor in interest, in the event of any default or breach by Seller or Buyer, or for any amount which may become due to Seller or Buyer or successor or any obligations under the terms of this Agreement.
27. Provisions Not Merged With Deeds. None of the provisions of this Agreement are intended to or shall be merged by reason of any deed transferring any interest in the Property and any such deed shall not be deemed to affect or impair the provisions and covenants of this Agreement.

In witness of the foregoing, the parties have executed this Agreement on the year and date written above.

RESOLUTION 2023-42

RE: KEEPING THE LIGHTS ON AFTER SCHOOL: A PROCLAMATION

WHEREAS, the citizens of Itasca County stand firmly committed to quality afterschool programs and opportunities because they:

- Provide safe and engaging learning experiences that help children realize their full potential.
- Support working families by ensuring their children are safe and productive when they are out of their classrooms.
- Build stronger communities by involving students, parents, business leaders, and adult volunteers in the lives of young people, thereby promoting positive relationships among youth, families, and adults.
- Engage families, schools, and community partners in advancing the welfare of our children.

WHEREAS, Itasca Networks for Youth provides critical support for the academic growth and well-being of youth and offers new experiences and opportunities that help young people learn and grow. Afterschool programs provide innovative, hands-on opportunities for youth to engage in learning and connect with caring adults and peers in a safe and supportive environment. These supports are all the more important today, in the wake of the pandemic.

WHEREAS, Lights On Afterschool, the national celebration of afterschool programs held this year on October 26, 2023, promotes the importance of quality afterschool programs in the lives of children, families, and communities.

WHEREAS, nearly 25 million families report that they would enroll their child in an afterschool program if one were available; for every child in a program, four are waiting to get in.

WHEREAS, many afterschool programs across the country are facing operating challenges so severe that they are forced to consider closing their doors and turning off their lights.

THEREFORE BE IT RESOLVED, Itasca County Board of Commissioners urges the citizens of Itasca County to ensure that every child has access to a safe, engaging place where the lights are on after school; **AND BE IT FURTHER RESOLVED** that this Itasca County Board of Commissioners enthusiastically endorses Lights On Afterschool and is committed to innovative afterschool programs and activities that ensure that the lights stay on and the doors stay open for all children after school.

MANAGEMENT SERVICES AGREEMENT

THIS MANAGEMENT, ADMINISTRATIVE, AND NURSING SERVICES AGREEMENT (this "**Agreement**") is made and entered into as of October 1, 2023 ("**Effective Date**"), by and between Itasca County, a political subdivision of the State of Minnesota, d/b/a Grand Village ("**Owner**"), and Ebenezer Management Services, Inc., a Minnesota corporation ("**Ebenezer**") (each individually referred to as a "**Party**" and collectively referred to as the "**Parties**").

RECITALS:

- A. Owner owns and operates a Medicare-certified skilled nursing facility/nursing home (the "**Facility**") located at 923 Hale Lake Pointe, Grand Rapids, MN 55744, and holds the license required to operate the Facility as a nursing home ("**NH License**") pursuant to Minnesota Statutes Chapter 144A ("**Chapter 144A**") and related rules, regulations, and other Minnesota Department of Health guidance (together with Chapter 144A, "**NH Requirements**").
- B. Ebenezer has experience in the management of and provision of services in nursing homes in compliance with Legal Requirements (as defined herein) and Owner desires to retain the services of Ebenezer to manage the Facility.
- C. This Agreement reflects the understanding of the Parties with respect to the operation and management of the Facility and the respective responsibilities of Owner and Ebenezer.

NOW THEREFORE, in consideration of the premises, which are incorporated herein by this reference and made part of this Agreement, and the mutual covenants and agreements contained herein, the Parties agree as follows:

ARTICLE 1

Operation of the Facilities

1.1 Provision of Management Services. Beginning on October 1, 2023 (the "**Commencement Date**"), Ebenezer shall be the property manager for the Facility and provide the management, administrative, and other services described in Exhibit 1.1, which is hereby incorporated in this Agreement (collectively referred to as the "**Services**"). The Parties may mutually agree to change the nature and/or scope of the Services through a written amendment to Exhibit 1.1 signed by both Parties pursuant to Section 4.1.

1.2 Nursing Home Administrator.

(a) **Qualified Individual.** Ebenezer will provide a duly licensed individual to meet the applicable NH Requirements for a licensed nursing home administrator for Facility ("**Administrator**"). The Administrator shall be subject to the prior written approval of Owner, such approval not to be unreasonably withheld. Under Ebenezer's supervision, the Administrator will oversee day-to-day operation of the Facility and execution of policies governing the Facility's operation; provided, however, that neither Ebenezer nor Administrator will be responsible for the acts or omissions of Facility Staff, Owner's responsibilities with respect to Facility Staff, or the responsibilities or obligations of Owner hereunder.

(b) **Reporting.** The Administrator shall provide monthly financial statements for the Facility to Owner by the 20th of each month and shall provide such other briefings and reports to Owner regarding the operations of the Facility as may be reasonably requested from time to time.

(c) **Resolution.** If Owner is dissatisfied with the performance of the Administrator, Owner shall bring its concerns to the attention of Ebenezer. Owner and Ebenezer shall work together in good faith to resolve such concerns provided, however, that this provision shall in no way impair Owner from seeking contractual, equitable or other legal actions if there is a default under this Agreement.

(d) **Training.** Ebenezer shall ensure that the Administrator complete trainings and continuing education requirements, including but not limited to a background check prior to training, in accordance with Legal Requirements.

1.3 Owner's Employees; Staffing Levels; Limitation of Liability.

(a) **Facility Staff.** Except as provided in Section 1.2, all personnel providing Services on-site at the Facility will be employees or contractors of Owner ("Facility Staff"), and not Ebenezer, and shall be subject to Owners personnel policies. As employer of the Facility Staff, Owner shall be solely responsible for all expenses related to the employment of Facility Staff, including but not limited to all compensation, benefits, payroll taxes, and other costs and expenses related to Facility Staff.

(b) **Staffing Levels.** Each of Owner and Ebenezer acknowledges that the NH Requirements or other applicable law may require that certain staffing levels be maintained at the Facility, and Owner and Ebenezer will consult in good faith with respect to such requirements in order to provide for compliance therewith in the most efficient manner possible; provided, however, that Owner will be solely responsible for recruiting and hiring Facility Staff sufficient to meet the NH Requirements and applicable law.

(c) **Limitation of Liability.** Ebenezer is not responsible for the acts or omissions of any of Owner's other contractors or any subcontractors or any employees of Owner, or any persons representing Owner performing any services for or in connection with the Facility, or any consultants or other persons engaged by Owner with respect thereto. For the avoidance of doubt, Ebenezer shall not be considered, and shall have no liability as, an employer, joint employer, or co-employer of any Facility Staff under this Agreement.

1.4 Quality and Compliance with Law and Policies; Licenses, Registrations, and Permits.

Ebenezer shall use its commercially reasonable best efforts to provide the Services and operate the Facility: (a) in a manner that efficiently makes quality Services available to the Facility's residents and patients (collectively "**Residents**"); (b) in compliance with all applicable federal, state, and local laws, rules, and regulations including, but not limited to, all applicable regulations and guidelines issued by the Minnesota Departments of Health and Human Services (collectively "**Legal Requirements**"); (c) in compliance with reasonable policies and procedures with respect to the Facility and the quality of care to Residents, as shall be developed and established from time to time by Ebenezer with the input and approval of Owner; and (d) in conformity with recognized standards of care for Medicare-certified nursing homes in the State of Minnesota. Notwithstanding the existence of this Agreement or any provision therein, Ebenezer shall at all times remain

responsible for the management, control, and operation of the Facility in compliance with Legal Requirements.

Owner shall obtain and maintain the NH License, the Medicare certification and provider agreement for the provision of the Services, and any and all building related licenses and permits as may be required for the operation of the Facility. Ebenezer will provide reasonable assistance to Owner in obtaining and renewing such regulatory approvals.

1.5 Vendor Contracts

(a) **Vendor Contracts on Behalf of Owner.** Ebenezer shall have the authority to enter into contracts, leases, and agreements with vendors and service providers (“Vendors”) on behalf of Owner as agent for Owner (“Owner Vendor Contracts”), except as otherwise expressly authorized by Owner in writing, as may be required in the ordinary course of business for the supply, operation, maintenance, sales, marketing, and service of the Facility (including but not limited to food procurements, trash removal, pest control, lawn care/snow removal and elevator maintenance) and to pay the costs of all such services when due as an Operating Cost (as defined herein) to be paid from the Operating Account (as defined herein). Each Owner Vendor Contract shall:

(i) be terminable by Owner (or Ebenezer on behalf of Owner) upon no more than 60 days prior written notice and by Owner upon the sale of the Facility or termination of this Agreement;

(ii) provide that Vendor shall indemnify and hold Owner, and all officers, members, directors, employees, and agents of Owner harmless from any and all costs, expenses, attorneys’ fees, suits, liabilities, judgments, damages, and claims arising in connection with the services provided by Vendor; and

(iii) provide that Vendor shall maintain, at Vendor’s sole cost and expense, with commercially reasonable policy amounts, occurrence based comprehensive general liability insurance insuring against claims for death, bodily injury or property damage, workers’ compensation insurance, and such other coverage as Owner (or Ebenezer on behalf of Owner) may reasonably request, and that Vendor shall provide evidence of such coverage promptly upon request by Owner (or Ebenezer on behalf of Owner).

(b) **Vendor Contracts Entered into by Ebenezer.** Ebenezer shall have the authority to enter into contracts, leases, and agreements on its own behalf as may be required in the ordinary course of business for the supply, operation, maintenance, sales, marketing, and service of the Facility (including but not limited to food procurements, trash removal, pest control, lawn care/snow removal and elevator maintenance) and to pay the costs of all such services when due as an Operating Cost (as defined herein) to be paid from the Operating Account (as defined herein).

1.6 Government Agencies. In the event Ebenezer receives notice or has knowledge of a government inquiry or investigation regarding any of the Facility’s operations, Ebenezer shall notify Owner in writing of such inquiry or investigation as soon as reasonably possible, but in no event more than two (2) business days after receiving notice or knowledge of the inquiry or investigation, and shall provide Owner with a deficiency report and corrective action plan within thirty (30) days or such earlier date as Ebenezer may submit a corrective action plan to the

government agency making the inquiry or conducting the investigation. Ebenezer shall not communicate with any federal, state, or local government agency regarding any such inquiry or investigation on behalf of Owner without the express written consent of Owner or unless otherwise required by law.

1.7 Auditing Performance. Ebenezer shall, with the input and approval of Owner, develop Resident outcome measurements and customer satisfaction surveys. Ebenezer shall document and perform Resident outcome measurements and customer satisfaction surveys related to the operations of the Facility. Ebenezer shall share the results of such performance activities with Owner no less than annually, or more frequently if required by applicable Legal Requirements.

1.8 Confidentiality of Resident Records. All health related information and/or data concerning specific Residents (including, but not limited to, the identity of the specific Residents), derived from or obtained during the course of the Parties' duties under this Agreement, shall be treated as confidential so as to comply with all applicable state and federal laws and regulations and with such Ebenezer and Owner policies regarding confidentiality of Resident records and information as have been provided to one another at least thirty (30) days prior to becoming effective, and shall not be released, disclosed, or published to any party other than as required or permitted under applicable laws or policies. The Parties specifically acknowledge and agree that medical information and/or data concerning specific Residents, which is defined as "Protected Health Information" ("PHI") under the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder, as amended from time to time ("HIPAA"), will be collected, maintained, released, disclosed and/or published in compliance with all applicable HIPAA privacy and security standards regarding the collection, maintenance, release, disclosure or publication of PHI.

1.9 Budget for Facility; Operating Costs. No later than August 1st of each year, Ebenezer shall prepare an annual operating and capital budget for the Facility for the following fiscal year ("Budget"). Such Budget shall not be effective until approved by Owner, which approval shall not be unreasonably withheld. In the event a new Budget is not approved by the end of the preceding fiscal year, Ebenezer shall operate within the budget in effect for the prior fiscal year with expenses adjusted as to expenses in a percentage equal to any increase in the Consumer Price Index relative to the greater Minneapolis-St. Paul metropolitan area. Ebenezer shall provide Services consistent with the Budget. In the event of a material variance from the Budget as approved by Owner, Ebenezer shall work with Owner in good faith to address the issues raised; provided, however, that working in good faith shall not require Ebenezer to perform services or acts not otherwise required of it under this Agreement. Any changes to a Budget during a fiscal year previously approved by Owner shall require Owner approval, which approval shall not be unreasonably withheld.

All costs related to the operation of Facility as provided in this Agreement, as may be reasonable and necessary to obtain and maintain Facility's compliance with Legal Requirements ("**Operating Costs**") shall be the responsibility of Owner and paid from the Operating Account (as defined herein), and may be included in the Budget or otherwise reasonably be agreed to between the Parties. Notwithstanding anything in this Agreement to the contrary, Ebenezer shall have the authority to pay for Operating Costs required to maintain compliance with all Legal Requirements without Owner approval.

1.10 Billing; Operating Account. To the extent permitted pursuant to any third-party payor agreements and to the extent consistent with applicable Legal Requirements, Owner shall have the right and responsibility to determine the fees for all services provided at the Facility. Ebenezer, on Owner's behalf, shall bill and collect from Residents and any third-party payors any amount for, or in connection with, monthly rent and any services provided to Residents. Ebenezer shall deposit all amounts and payments received from Residents and non-governmental sources into an account established by Owner with a national or state institution qualified to engage in the banking or trust business ("**Operating Account**") separate from Ebenezer's personal and/or corporate account. If required by a lender with respect to the Facility, all payments received from governmental sources shall be deposited in a separate account or accounts approved by such lender.

ARTICLE 2

Payment of Fees and Expenses

2.1 Ebenezer Fees. Owner shall pay Ebenezer the Management and Services Fee, the Regulated Services Fee, and the Culinary Services Fee (together, the "**Ebenezer Fees**") provided for in Exhibit 2.1, which is hereby incorporated in this Agreement.

2.2 Administrator Expenses. As employer of the Administrator, Ebenezer shall be solely responsible for payment of all expenses related to the employment of the Administrator (the ("**Administrator Expenses**"), including but limited to salary, paid time off, health and other employee insurance expenses, other fringe benefit expenses, payroll taxes, applicable withholdings, bonus compensation, incentive compensation, retirement plan expenses, unemployment compensation, severance and other termination of employment expenses and settlements, workers' compensation expenses, independent contractor and staffing pool expenses, and travel expenses, but Owner shall be responsible for reimbursing Ebenezer, on a pay-period basis, for the Administrator Expenses as provided for in Exhibit 2.2, which is hereby incorporated in this Agreement. The Administrator Expenses are in addition to the Ebenezer Fees due Ebenezer under this Agreement and are Operating Costs. If agreed by the Parties, mutually agreed upon estimates for Administrator Expenses may be used with periodic year-to-date reconciliations to the actual Administrator Expenses not less than annually. Owner shall pay the Administrator Expenses to Ebenezer on a pay-period basis from the Operating Account which shall have sufficient funds to pay the Administrator Expenses and other Operating Costs. Ebenezer shall be authorized to access the Operating Account for use in meeting the Administrator Expenses and other Operating Costs, all in accordance with the then current Budget or as otherwise approved in writing by Owner. Ebenezer shall provide Owner with an invoice reflecting the amount to be withdrawn for each per period Administrator Expenses payment.

ARTICLE 3

Term and Termination

3.1 Term; Renewal. The term of this Agreement ("Term") shall start on the Commencement Date and shall continue for a period of three (3) years (the "**Initial Term**") and shall thereafter continue for up to three (3) additional one (1) year terms (each a "**Renewal Term**") if Owner provides written notice to Ebenezer at least 210 days prior to the end of the Initial Term or any Renewal Term, subject to Ebenezer's right to decline such renewal by providing written notice of

declination to Owner at least 180 days prior to the end of the respective Initial Term or any Renewal Term, unless the Agreement is otherwise terminated pursuant to Section 3.2.

3.2 Termination. This Agreement shall terminate as follows:

- (a) By mutual written agreement of the Parties;
- (b) By either Party upon the filing of a petition in bankruptcy by the other Party;

- (e) By Owner, upon written notice to Ebenezer, for Ebenezer's failure to observe or perform any material covenant, agreement, term, or provision hereof, or otherwise to fail to provide the Services in accordance with this Agreement, if such failure has not been cured by Ebenezer within sixty (60) days of Owner's written notice of termination for failure to provide the Services;
- (f) At the option of either Party, upon thirty (30) days' prior written notice to the other Party in the event Owner determines to sell the Facility or a majority interest therein to a party that is not an affiliate of Owner, and either such purchaser does not wish to continue to retain Ebenezer as manager of the Facility or Ebenezer does not wish to continue as the manager of the Facility, or in the event that a casualty or condemnation of the Facility occurs that impairs either the Owner's or Ebenezer's business objectives; and
- (g) Notwithstanding anything to contrary in this Agreement, Owner may terminate this Agreement at any time by giving Ebenezer written notice of termination following the occurrence of one or more of the following events:
 - (1) the commission of fraud or embezzlement by Ebenezer, including its employees or agents, in carrying out its duties under this Agreement; or
 - (2) the event of gross negligence or intentional misconduct of Ebenezer, its contractors, employees, or agents, in the provision or carrying out of nursing services to Residents
 - (3) licensing action by the Minnesota Department of Health or other regulatory agency suspending or terminating Owner's license.

(h) Notwithstanding any provision of this paragraph 3.2 to the contrary, this Agreement shall be terminable upon such other notice period as shall be required by any lender with respect to the Facility.

3.3 Effect of Termination. Upon termination of this Agreement for any reason:

(a) Neither Party shall have any further obligation under this Agreement except for (i) payment obligations accruing prior to the date of termination; and (ii) other covenants that expressly or by operation of law extend beyond the termination of this Agreement.

(b) For a period of one (1) year after the date of termination of this Agreement, Owner shall not solicit (except by way of general advertisement) the services of individuals employed at the date of termination as the Administrator(s).

(c) Promptly upon termination, Ebenezer shall turn over all books, records, access information, budgets, marketing plans, and other information necessary for Owner to successfully continue operation of the Facility or transition management, excluding Ebenezer's proprietary policy books and manuals, resident electronic medical records, and personnel records (unless appropriate resident and/or personnel authorizations have been provided). Owner shall reimburse Ebenezer for all copying expenses, including Administrator time, for providing any copies requested by Owner, which shall be considered an Operating Expense.

a) **Required Insurance.** Each Party, at its sole cost and expense, shall maintain at a minimum the insurance coverages as described in Exhibit 4.11 attached hereto, which is hereby incorporated into this Agreement, except as otherwise provided in Exhibit 2.1.

(b) **General Insurance Conditions:**

(1) Each Party shall maintain in effect all insurance coverage required under this Section 4.11 with insurance companies that have an A.M. Best rating of A- and VII or better and are otherwise reasonably acceptable to the Parties. Each Party shall have the right to satisfy the insurance requirements pursuant to (i) a blanket liability insurance policy (a certificate thereof reasonably satisfactory to the other Party shall be delivered to the other Party) covering other locations in addition to the Facility, (ii) a plan of self-insurance reasonably satisfactory to the other Party, or (iii) a combination of any of the foregoing insurance programs; provided, however, that a policy of blanket liability insurance shall be specifically endorsed to cover the Facility and the coverages thereunder shall be at least as broad as the coverages required by this Agreement for insurance policies.

(2) Each Party shall provide written notice to the other Party in the event of cancellation, or a material change in insurance coverage not less than thirty (30) days in advance of such termination or immediately upon notification if less than thirty days. Certificates of Insurance, or a letter confirming self-insurance, as applicable, shall be provided to each Party by the other Party prior to the commencement of services under this Agreement. Such Certificates of Insurance, or the letter confirming self-insurance, as applicable, shall be in a form acceptable to each Party and shall provide satisfactory evidence that each Party has complied with all insurance requirements, including evidence that each Party has been added as "additional insureds" where required pursuant to Exhibit 4.11.

(4) Each Party shall conduct the defense of any claim, demand, or suit and shall allow its insurers to defend any claim, demand, or suit within limits prescribed by said Party's policy or policies of insurance, provided each Party tenders defense of any claim subject to the other Party's policy or policies of insurance to the other Party in sufficient time to avoid prejudice to such Party for handling by counsel of the other Party's selection that is reasonably acceptable to the tendering Party.

(5) If any coverage by a Party is provided on a "claims-made" form, such coverage shall be continued for at least three (3) years after the termination date of this Agreement.

Owner shall be permitted to make such assignment in Owner's sole and absolute discretion. Such written consent, if given, shall not in any manner relieve the assignor from liability for the performance of this Agreement by its assignee.

4.13 Authority; Binding Effect. This Agreement shall be binding upon and inure to the benefit of the Parties, their successors, and assigns. Each of Owner and Ebenezer hereby represent and warrant that this Agreement has been duly approved and authorized by all necessary corporate action, as applicable, that it does not conflict with, or result in a breach of its organizational documents, and that each signatory hereto has the requisite authority to execute this Agreement.

4.14 Waiver. The failure of either Party to complain of any default by the other Party or to enforce any of such Party's rights, no matter how long such failure may continue, shall not constitute a waiver of the Party's rights under this Agreement. The waiver by either Party of any breach of any provision of this Agreement shall not be construed as a waiver of any subsequent breach of the same or any other provision. No part of this Agreement may be waived except by the further written agreement of the Parties.

4.15 Governing Law. This Agreement and the rights and obligations of the Parties hereunder shall be governed by the laws of the State of Minnesota. The exclusive forum for actions between the Parties in connection with this Agreement are the State District Court sitting in Itasca County, Minnesota, or the United States Court for the District of Minnesota. Each Party agrees unconditionally that it is personally subject to the jurisdiction of such courts. This Agreement is made and performed in the State of Minnesota.

4.17 Records. Ebenezer shall maintain, for a minimum of three (3) years, adequate financial and other records for reporting to Owner. Ebenezer shall be subject to financial audit as reasonably

requested by Owner. Prior to destroying or removing any such records from its possession, Ebenezer shall notify Owner in writing.

4.18 Estoppel Certificate. Ebenezer shall execute, acknowledge and deliver to Owner, within fifteen (15) days after written request from Owner, an estoppel certificate certifying (i) that this Agreement is unmodified and in full force and effect (or if there have been modifications, that the Agreement is in full force and effect as modified and stating the modifications), (ii) the amounts of all Ebenezer Fees and Ebenezer Staff Expenses and the dates to which such amounts have been paid by Owner, (iii) whether or not Owner is in default in the performance of any covenant, agreement or condition contained in this Agreement and, if so, specifying each such default of which Ebenezer has knowledge; (iv) to the best of Ebenezer's knowledge, Ebenezer is not in default in any material respects relating to this Agreement; (v) all that all financial statements and books and records have been maintained in accordance with generally accepted accounting principles, and that they are true, accurate, and complete in all material respects; (vi) that there are no Resident deposits held by Ebenezer, except as set forth on an exhibit to the estoppel certificate; and (vii) certifying that Ebenezer has not accepted any advance rents from Residents except as set forth on an exhibit to the estoppel certificate. Any such statement delivered pursuant hereto may be relied upon by Owner, any prospective purchaser of the Facility, and mortgagee or prospective mortgagee of the Facility or of Owner's interest in either, or any prospective assignee of any such mortgagee. Ebenezer's failure to timely deliver an estoppel certificate as provided in this Section shall be a default under this Agreement.

4.20 Subordination. At Owner's request, Ebenezer shall comply with customary requirements of construction and permanent lenders that may be imposed including, but not limited to, execution of a subordination agreement(s) and assignment(s).

4.21 Disposition Fee. If Owner sells the Facility at any time during the term of this Agreement, Owner shall pay Ebenezer a disposition fee on the effective date of the sale in an amount equal to the actual costs incurred by Ebenezer in providing assistance to Owner and the purchaser in connection with such sale transaction (the "**Disposition Fee**"), provided, however, that the Disposition Fee will not exceed an amount equal to one month's Management Fee hereunder and no amount of Disposition Fee will be paid to Ebenezer if Ebenezer continues as manager for the Facility or is the purchaser of the Facility pursuant to an agreement with the purchaser on or immediately after the effective date of the sale.

Re: HWY 35 LLC CANNABIS GROW & MANUFACTURING PROJECT

Dear Iron Range Resource & Rehabilitation Board Members:

On behalf of the Itasca County Board of Commissioners, please accept this letter expressing support for The HWY35 LLC Cannabis Grow and Manufacturing Project ("HWY35 project"). HWY35 LLC has proposed a \$65+ million project to construct a 240,000 square foot cutting-edge grow, cultivation, and manufacturing facility for cannabis located at the vacant industrial Ainsworth manufacturing plant in the City of Grand Rapids.

The cannabis industry is new to Minnesota. Cannabis product from this industry may only be sold in Minnesota if it is locally produced and manufactured within the State of Minnesota. The HWY35 project offers Itasca County and the region an opportunity to capitalize on and capture the economic benefit of this new industry for decades to come. In addition to the economic impact, the HWY 35 project will make use of the \$6 million public infrastructure investment at the now-vacant Ainsworth site, which was funded by municipal, state and federal agencies.

The HWY35 project will:

- Invest \$65+ million to redevelop the 135-acre former Ainsworth Oriented Strand Board Manufacturing Plant and convert it into a Cannabis Grow and Manufacturing Facility;
- Directly create approximately 400 jobs, most of which will be union positions, with salaries ranging from \$40,000 to \$160,000;
- Indirectly employ another 400-600 ancillary workers to assist with transportation, security, construction, and in other roles related to supporting the main work of the project;
- Spur new workforce housing development and attract other spin-off development.

Equal Opportunity Employer

The members of HWY35 LLC have a verified reputation of industry knowledge and experience in the cannabis field and are successfully operating various manufacturing facilities in several states. The company has also worked with local law enforcement and emergency management officials to ensure suitable community resources to support the facility. This proposed manufacturing facility plans to be a first mover to market product to Minnesota consumers and as such shall have the opportunity to be an industrial anchor in the community for decades to come.

To incentivize employment targets and to expedite the scaling up of this industry, am Itasca County fully supports the IRRR proposal to use funds from the 21st Century Fund and the Douglas Johnson Trust Fund to provide this project with secured equipment financing. We hope that the IRRR Board will approve the awarding of a financial package for the HWY35 project. Itasca County fully supports this investment and believes that the project will spur economic opportunities for the region.

Respectfully,

The County sponsors designated trails for recreational purposes which provide public access to public lands as well as significant scenic and natural recreation opportunities; and

Grantor is the owner of the following described premises situated in County of Itasca, Minnesota (herein referred to as “the Premises”):

The Northeast Quarter of the Northeast Quarter, Section 27, the East half of the Southeast Quarter and the East half of the Northeast Quarter, Section 22 and the East half of the Southeast Quarter, the Northwest Quarter of the Southeast Quarter, the North half of the Southwest Quarter, West half of the Northwest Quarter, Section 15, all in Township 150 North, Range 29 West.

The County wishes to acquire from Grantor an Easement for the purpose of designated recreational trails and the purpose of ingress and egress for forest management over a roadway no more than 33 feet in width across the premises; and Grantor is willing to grant and convey to the County said Easement on the terms and conditions set forth herein:

Grantor for One dollar (\$1.00) and in consideration of the covenants and promises hereinafter made to be observed and performed by the County, hereby licenses and permits the County, only insofar as Grantor has a legal right to do so, to construct, maintain, operate, repair and use a

right-of-way easement across the above described Premises. Grantor hereby conveys to the County a Recreational Trail and Forest Management Easement across the Premises described above, more particularly shown in Attachment A, attached hereto and made a part hereof, for the purposes of allowing the construction, maintenance of and the unobstructed passage by the general public for permitted uses of any designated recreational trails.

The right-of-way which is the subject of this Easement shall also be open for forest management purposes by County personnel and its agents, and any parties with whom the County has contracted for management or any related work or services.

Road construction and maintenance activities under such Easement shall not exceed 33 feet in width without written approval by Grantor. All roadway construction and maintenance desired by the Grantee shall be the responsibility of the Grantee without any cost to the Grantor. Any merchantable timber cut by the Grantee on the above mentioned right-of-way will be paid for by the Grantee at prevailing timber prices.

The County shall, prior to its use and occupancy of the Premises, obtain all licenses and permissions from the proper public authorities.

The County agrees that it will not cause the premises to be subject to any mechanics', laborer's, materialmen's liens or claims, in any manner arising from or growing out of any work operations conducted upon or in connection with the Premises, or any part thereof.

Grantor grants this Easement and the County accepts this Easement for the purpose of allowing public use of the easement Premises, as described above, without charge for recreational purposes within the meaning of Minn. Stat. 604A.20 through Minn. Stat 604A.27, together with the municipality's immunities pursuant to Minn. Stat. 466.03 and 466.04 or any other defense or statutory immunity available to either party, with the intention that Grantor and the County shall thereby be immune from liability in accordance with said statutes.

This Easement and each and all of the provisions hereof shall extend to, be binding upon, and inure to the benefit of the respective successors and assigns of the parties hereto, subject, however, to the prohibition on the County assigning this Easement except with Grantor's express permission. This Easement constitutes the entire agreement of the parties as to the subject matter hereof, and it supersedes any prior or contemporaneous oral or written understandings or agreements. This Easement may not be amended or modified except by writing executed by the parties hereto.
